The Global Gaming Triple

We are proud to present the third running of The Global Gaming Triple linking the following three stake races here at Lone Star Park and at Remington Park. By nominating to one you will automatically be nominated to all of them. Each race will still have their individual closing date also. Preference will be given to starters in previous races and previous starters will receive complimentary start fees in the following races. There will also be a $15,000 bonus available split equally between the winning owner and trainer of the horse with the most points that has participated in all three races in 2014. Points will be awarded as follows: 5 points to the winner, 3 points to second, and 1 point to third. To qualify for the bonus the horse must have finished in all three races and must have scored at least 1 point. A disqualification from any race due to a positive post race test makes the horse ineligible to receive the bonus.
