ACCREDITED TEXAS-BRED PROGRAM

Any Accredited Texas-Bred that runs first, second, or third in any race (other than a stakes restricted to Accredited Texas-Breds) during the Lone Star Park at Grand Prairie Quarter Horse Meet will receive bonus incentive money distributed by the Texas Quarter Horse Association.

Accredited Texas-Bred Incentives will be paid by the Texas Quarter Horse Association at the conclusion of the meet. That means Accredited Texas-Breds run for bigger purses than horses foaled in other states that are running in the same race. Races restricted to Accredited Texas-Bred horses have bigger purses than the same class of race for open company horses. Incentive awards are distributed 50% to first, 30% to second and 20% to third.

Additional Accredited Texas-Bred awards for breeders and stallion owners are also paid at the conclusion of the meet through the office of the Texas Quarter Horse Association on eligible ATB horses.

NOTE FROM THE EXECUTIVE DIRECTOR
AMY F. COOK

The intent of the racetrack condition book preamble is to provide up-to-date information on requirements for racetracks and occupational licensees. Weekly visual inspections are required of racetracks during live racing and are to be reported to the Commission via email to info@txrc.texas.gov. Daily visual inspections are strongly encouraged. Any issues regarding the safety, integrity or welfare of racing participants should be immediately reported to the Commission.

If there is any conflict with the Texas Racing Act or the Texas Rules of Racing and racetrack house rules or race sponsor rules, the Texas Racing Act and Texas Rules of Racing prevail.

Helpful links:

The Texas Racing Act, the Texas Rules of Racing, Therapeutic Substance List, Prohibited Substance List, Penalty Guidelines, Test Barn Instructions (Chain of Custody), and the Study Guide for Trainer applications can all be found on our website at:

LICENSING

******Multiple Year Licenses are available for the following: Jockeys, Owners, Trainers. and Veterinarians.***

Prior to entering a horse at the racetrack, all participants (trainers, owners, and those in their employ that require a license to perform their duties) should have a current Texas Racing Commission license.

TRAINERS:

1. All Trainers should be licensed prior to the entry procedure.
2. It is the trainer's responsibility to keep the Texas Racing Commission licensing office current on their owners' and employees' status. Failure to do so may result in disciplinary action by the stewards.
3. Whenever a trainer terminates an employee, the licensing office should be notified, and their badge returned. The license badge may be returned to the licensee when they are employed by another licensed trainer.

OWNERS:

I. All Owners, as listed on the horse's registration papers, should be licensed prior to the entry of that horse.
2. Owners' license will not be issued unless a licensed trainer is named on their application.
3. All owners who lease horses for racing purposes are responsible for licensing both the Lessee and Lessor.
4. If the owner is not an individual, each partner who has an ownership interest of five percent (5%) or more must be licensed by the Texas Racing Commission.
5. A person may not be licensed as an owner if the person is not the owner of record of a properly registered race animal which the person intends to race in Texas which is in the care of a trainer licensed by the Texas Racing Commission.

NOTE: All Owners, Trainers, and Lessees must be licensed before the race day in which their horse will participate. Texas Racing Commission licensing staff will be available during live race **events but** cannot guarantee a license issuance or renewal will occur if previous application steps were not met (digital fingerprints, evaluation of possible disqualifiers, etc.). Please see the following website for licensing guidelines:

https://www.txrc.texas.gov/licensing.

For complete information on the rules of racing of the Texas Racing Commission, please request a rule book from the licensing office at the racetrack or contact the Austin office at (512) 833-6699 or on the web at www.txrc.texas.gov

LICENSE FINGERPRINT INFORMATION

-Fingerprints are required for all licensees who do not have fingerprints on file with the Texas Racing Commission.

-Fingerprints for new applications must be attained prior to applying with the Texas Racing Commission.

To find a location and schedule an appointment for electronic fingerprints please visit:

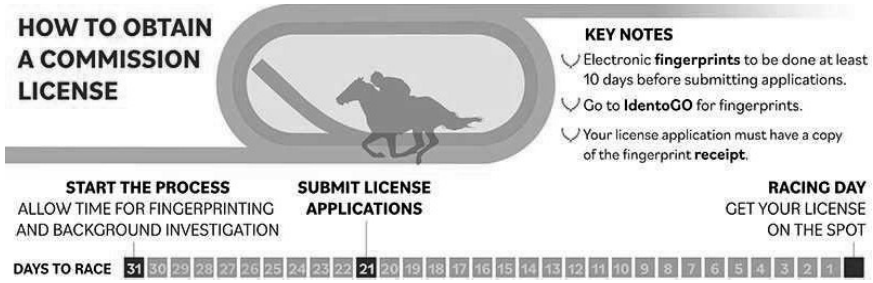
https://uenroll.identogo.com/workflows/11g7kx

All licensing application must have a copy of the fingerprint receipt, before the Texas Racing Commission will process the application.

For fingerprinting, the following information is needed to make an appointment.

TXRC unique number is TT-64321.
The TXRC code is: 11G7KX.

The estimated cost for fingerprinting at **IdentoGo** is $43.25. Methods of payment accepted are a cashier's check, money order or credit/debit card.



SPECIMEN TESTING

The Texas Racing Commission tests specimens include, but are not limited to serum, urine, and hair. All breeds will be subject to hair testing at random or for cause, as determined by the Texas Racing Commission. The Texas Veterinary Medical Diagnostic Laboratory (TVMDL) is the primary State laboratory that conducts testing of primary samples. The agency maintains discretion for using any accredited laboratory necessary to accomplish proper analysis, including split samples.

STATE VETERINARY MONITORING OF MORNING TRAINING

State veterinarians have authority to monitor morning training and identify lame horses on the training track. Horses on the training track will be subject to the same evaluation protocol as horses during pre-race exams. Horses must jog past the state veterinarian for 8-10 strides when exiting the training track after exercise. Exercise riders can be asked to jog a questionable horse on the walking path after exercise to confirm a lameness seen on the track. Horses lame after morning training will be identified and placed on the Vet List if appropriate. Any horse that works out for an official time can have blood samples collected post workout.

WORKOUTS AND FIRST-TIME STARTERS

If a horse has not started in the 60-day period preceding a race, the horse must have one published workout to be eligible to start in that race. If a horse is a first-time starter, the horse must have two (2) published workouts, one of which must be from the starting gate within 90 days, and one must be within the last 60 days of the race entered to be eligible to start in a race. The first-time starter must also be approved from the starting gate by an approved facility for proficiency in the starting gate. The racetrack's starter reserves the right to refuse an approval from another facility.

VETERINARIAN'S EXAMS

Pre-race veterinarian examinations for horses stabled on the grounds will be conducted from 9:00 am to 10:30 am. Anyone shipping horses into barns other than the Receiving Barn, must notify the Commission Veterinarians of such barn and stall location. The horse's legs must be unwrapped and clean for this examination. For further information please call the test barn. All Vet List timed workouts or exams required for race entry must be scheduled 2-3 days in advance by contacting the Chief State Veterinarian, Dr. Steve Bond at (512)529-1546 or the test barn.

Lip Chains

Trainers will wrap all lip chains with leather or heavy tape wrap. Any part of the chain that contacts the horse's gums or corners of the mouth cannot be bare chain. Lip chains must be attached to provide some relief to the horse from constant chain pressure.

Ship-in Horses, Lasix & Pre-Race Exams

Any horse(s) shipping into a barn, other than the receiving barn, must notify the TXRC State Vet of the barn location prior to the start of pre-race exams at 9:00 am. Ship-in pre-race exams will be two (2) hours prior to the first post time of the day, however it is strongly encouraged that entered horses be on the premises of the track 24 hours before post to allow appropriate observation times by TXRC Veterinarians. Texas Furosemide Program (Lasix) horses running in early races may need to be on the grounds earlier than listed above. Any ship-in horse not stalled in the receiving barn must come to the test barn for a pre-race exam. Trainers are responsible for securing a veterinarian to administer timely Lasix for their horses. Please contact the test barn for details.

- A horse that is more than 12 years of age may not start in a pari-mutuel race in this state unless:
  - (a) The horse has finished first, second or third in an officially sanctioned race during the 12 month period preceding the race in which the horse is to start; or
  - (b) Upon due consideration of the horse's past performance, the board of stewards has given specific authorization for the horse to start.

COGGINS AND HEALTH CERTIFICATES

To be admitted on to Lone Star Park at Grand Prairie's grounds, a horse must have:

1. A negative test for equine infections anemia conducted in accordance with rules of the Texas Animal Health Commission in the 180 day period preceding the horse's arrival. It is a criminal offense to transfer ownership of a horse (by Bill of Sale or Claim) without a current negative Coggins. To keep Coggins test from expiring during the meeting, they MUST be dated after May 16, 2025.
2. A health certificate issued in the 30-day period preceding horse's arrival.
3. We also continue to require that all horses admitted to the stable area to have a current (within 180 days) FDA approved EHV-1 vaccine or EHV-1 booster. Vaccine information must be noted on the health certificate for admittance to Lone Star Park at Grand Prairie's grounds.
4. It is mandatory for all horses except thoroughbreds to have a negative Piroplasmosis cElisa test for Theileria equi that has been performed in the last year.

ENTRY RULES

1. Racing Office will open for entries at 9:00 am. Entries close at 11:00 am. No entries are accepted on overfilled races after closing time of entries. Though an entry may be taken as an AE if space allows.
2. Prior to entering a horse, all participants must have a current Texas Racing Commission license.
3. A horse must be tattooed or micro chipped, and the registration papers or digital papers along with a current negative Coggins must be on file in the Racing Secretary's office not later than one hour before post time for the first race of that day.
4. A blinker change must be approved by the starter and reported at time of entry.
5. Maidens entering in winner's race must declare at time of entry that the horse is a maiden.
6. Owners and Trainers must be careful to claim allowances and preference date at time of entry. This is the sole responsibility of the person making the entry.
7. Horses not entitled to the first allowance in a race are not entitled to the second and, if not to the second, then to any subsequent allowances.
8. No horse shall be entered in more than one race on any race day, unless at least one of the races is a stake race. If such an entry does happen to cause a race to overfill and lead to an exclusion, the horse must remain in the body of the overfilled race. In the event both races overfill, the decision must be made prior to closing of entries.
9. When a person makes a coupled entry, the entry with the better date will be preferred in an overnight race. If they have the same date, the trainer must make first and second choice.
10. All races, overnights and stakes, will be drawn with up to two AEs.
11. In Today horses must have the permission of the racing secretary to be enter in another race.

WORKOUTS AND FIRST-TIME STARTERS

If a horse has not started in the **60-day period** preceding a race, the horse must have **one published workout** to be eligible to start in that race.

If a horse is a **first-time starter**, the horse must have **two published workouts, one of which must be from the starting gate within 90 days and one must be within the last 60 days of the race entered**, in order to be eligible to start in a race. The first-time starter must also be approved from the starting gate by an approved facility for proficiency in the starting gate. Lone Star Park's starter reserves the right to refuse an approval from another facility.

First time starters around the turn must be approved by the clocker prior to entering in a one turn race and have a **minimum 660 yard** published workout within the last **60 days**. Trainers must notify the clocker prior to working a horse for turn approval.

Any horse that has not started within the last 365 days must have 2 published workouts within 60 days preceding the race and an approved letter from the attending veterinarian to be eligible to run.

All horses working at Lone Star Park at Grand Prairie must be identified by name (breeding if unnamed), type of workout and distance to the Gap Attendant. Failure to report this information will result in referral to the stewards. Foal certificates must be on file in the Lone Star Park at Grand Prairie Racing Office before a horse will receive an official work.

PREFERENCE SYSTEM

1. Preference date will not be assigned until the horse's papers and current negative Coggins tests are on file in the Racing Office. To keep Coggins tests from expiring during race meet they must be dated on or after **May 16, 2025.**
2. In any overnight race, regardless of conditions, an 'in today' horse is ALWAYS least preferred and the second part of an entry (by owner or trainer) cannot enter to the exclusion of a single interest. Though the second part of an entry is preferred over an 'in today' horse.
3. Condition eligibility preference applies to all races except stakes. In optional allowance/claiming races, horses eligible to the allowance condition will have first preference. Condition eligibility supersedes dates and 'second part of an entry' but not an 'in today' horse.
4. Preference dates will not supersede the conditions of a race.
5. All registration certificates including received on or before **Tuesday, August 26, 2025** will receive a zero, which is the lowest possible date. A horse keeps his zero until he runs, scratches, or the papers are removed from the Office (unless, for just cause - tattoo, corrections, etc.) the Racing Secretary may determine the status of the preference date established.
6. All registration certificates including digital certificates received after **Tuesday, August 26, 2025** through **Thursday, September 4, 2025** will receive a preference date of **E1.** Registration certificates received after **Thursday, September 4, 2025** will receive an "**E**" date corresponding to the race day that the certificates are submitted to the Racing Office. Certificates that are submitted to Racing Office on a non race day will be assigned the next upcoming race day date.
7. Horses that run will receive a running "**R**" date of the same day and lose any date previously held. This excludes Stakes and Trials in which they will retain their previous date.
8. Horses which scratch or are scratched will receive a scratch "**S**" date for the day that they were entered to run.
9. Horses that remain in a race that is transferred to the main track from the turf course will revert back to their previous date.
10. All horses placed on the Steward's, Starter's or Veterinarian's lists will be posted on the bulletin board. They will not be permitted to enter until they have been approved to start. A horse which raced before going on a list will keep its "R" date. Horses which were scratched will be given an "S" date of the day the horse comes off the list.
11. Entry "**E**" dates will have preference over a running "**R**" dates of the same date. Entry "**E**" dates and running "**R**" dates will have preference over scratch "**S**" dates of the same date.
12. In no way does claiming, ownership transfer or trainer transfer of a horse affect the preference date. It is the responsibility of the person making an entry to claim preference at time of entry. Preference dates are set at the time of entry. Any changes, omissions, discrepencies, errors, etc. must be lodged prior to the drawing of entries for that day.
13. Any quarter horse maiden with a zero date that is excluded at the counter from a "Maiden Allowance" race will receive a "01" date. Any maiden with a "01" date that is excluded at the counter will receive a "02" date and so on. In any Maiden Allowance" races a "01" will be preferred over a "0" and a "02" will be preferred over a "01" and so on. The dates are only valid in "Maiden Allowance" races. In all other race types, the date will revert back to the "0" date.
14. **Registration certificates that are not tattooed or digital certificates that are not verified will not receive a preference date.**
15. Also eligibles will be drawn in all races where the field size and the tote board permit.
16. In all matters, the Steward's ruling is final.

NAMING OF JOCKEYS

- Each horse to be drawn into the race must have its jockey named by the time established by the Racing Secretary for the draw of post positions and before the overnight is printed.
- It is the trainer's responsibility to name a jockey before the drawing of the race. Should a jockey remain unnamed at the time of the drawing of entries, the Stewards or their appointee shall select one. No jockey, once named, shall be changed except for good cause by the Stewards.

HORSEMEN'S BOOKKEEPING

In the State of the Texas the horsemen's bookkeeping system is centralized by the Texas Horsemen's Partnership, in order to better serve the horsemen running at the numerous tracks throughout the state. It is now similar to branch banking. This means that any necessary account maintenance can be done from any racetrack running a live meet in the state and through the Texas Horsemen's Partnership main office in Austin year round.

Prior to starting a race an owner must have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs incurred in starting that horse.

Prior to putting in a claim for a horse the owner or their Designated Representative must insure that all funds incurred with claiming a horse are on deposit in said account.

The following are the numbers for the numerous branch bookkeeping offices throughout the state:

MEDICATION

No prohibited drug, chemical, or other substance may be administered to an animal within the 24-hour period before the post time for the race in which the animal is entered.

Phenylbutazone: Phenylbutazone (Bute) is the only approved anti-inflammatory drug, which may be present in the body of a horse while participating in a race. The test level of Bute shall not exceed 0.3 micrograms (mg) per milliliter (ml) in plasma.

BLEEDER PROGRAM - *§319.111.Bleeders and Furosemide Program*

(a) Diagnosis of EIPH. (1) A bleeder is a horse that experiences Exercise Induced Pulmonary Hemorrhage (EIPH). Except as otherwise provided by this subsection, the medical diagnosis of EIPH may be made only by a commission veterinarian or a veterinarian currently licensed by the Commission. If the first EIPH event experienced by a horse occurs in another pari-mutuel racing jurisdiction, certification of the horse as a bleeder by that foreign jurisdiction will also constitute a first report of a diagnosed EIPH event for purposes of this section. A veterinarian who diagnoses an EIPH event in a horse participating in pari-mutuel racing in this state shall report the event to the commission veterinarian in a format prescribed by the executive director. On receipt of the first report of a diagnosed EIPH event for a horse, the commission veterinarian shall certify the horse as a bleeder.
(2) A trainer may request that a commission veterinarian reconsider the commission veterinarian's diagnosis of an EIPH event by presenting the horse for re-examination within four hours of the initial diagnosis, or within one hour after a performance's last race, whichever occurs sooner. To receive reconsideration, the trainer must present the horse to the commission veterinarian for endoscopic examination as performed by a commission-licensed veterinarian.
(b) Admission to Furosemide Program. (1) A trainer may admit a horse to the furosemide program by stating at time of entry that the horse will compete with furosemide. (2) A horse that competed with furosemide in its most recent start out-of-state must compete on furosemide in Texas unless withdrawn from the furosemide program at time of entry. (3) The voluntary administration of furosemide without an external bleeding incident shall not subject the horse to an initial period of ineligibility under subsection (g) of this section. (c) Administration of Furosemide. Furosemide shall be administered to a horse in the furosemide program not later than four hours before the published post time for the race the horse is entered to run. The furosemide must be administered intravenously by a veterinarian licensed by the Commission. The executive director shall periodically publish the permissible blood levels of furosemide in post-race specimens and shall post the levels at each licensed racetrack.
(d) Requirement to Use Furosemide. A horse in the furosemide program in Texas must compete with furosemide until withdrawn from the program.
(e) Withdrawal from Furosemide Program. (1) To withdraw a horse from the furosemide program, the trainer must state his/her intention to race the horse without furosemide at the time of entry. (2) A horse in the furosemide program that competes out-of-state without furosemide as a condition of the race is considered to have been removed from the Texas furosemide program effective the date of its first race without furosemide. (3) Withdrawal from the furosemide program does not prohibit a horse from subsequent readmission to the program in accordance with this section.
(f) Readmission to the Furosemide Program.
A horse may be readmitted to the furosemide program if: (1) at least 30 days have elapsed prior to the subsequent day of intended race since the horse was voluntarily withdrawn from the program as described in subsection (e)(1) of this section; (2) the horse is required to compete with furosemide pursuant to subsection (b)(2) of this section; (3) a commission veterinarian, association veterinarian, or practicing veterinarian diagnoses the horse with another EIPH event within 4 hours of official works, recorded timed works, or live race; or (4) at least 14 days have elapsed since the horse competed out of state without furosemide under subsection (e)(2) of this section.
(g) Bleeders List. (1) The commission veterinarian shall maintain a list of horses that have been certified as bleeders and a list of horses that have been admitted to the furosemide program. (2) On receipt of a report of a diagnosed EIPH event, the commission veterinarian shall place the horse on the veterinarian's list and the horse shall be ineligible to race for the following time periods: (A) First incident - 14 days; (B) Second incident within 365 days of previous incident - 30 days; (C) Third incident within 365 days of previous incident - 180 days; (D) Fourth incident within 365 days of previous incident - lifetime ban from racing in this state. (3) A horse with fewer than four EIPH events that has not had a diagnosed EIPH event for a period of 365 consecutive days is considered a non-bleeder for purposes of this subsection. The report of a diagnosed EIPH event from any pari-mutuel jurisdiction which officially records EIPH events will be recognized as an EIPH event by the Commission. (4) Notwithstanding the foregoing, if after reviewing a report of a diagnosed EIPH event the commission veterinarian determines additional days on the veterinarian's list are essential to the health and safety of the horse, the commission veterinarian may extend the number of days the horse is on the veterinarian's list. The commission veterinarian shall record the medical reasons for the additional days.
(h) Report by Veterinarian. A veterinarian who administers furosemide to a horse that has been admitted to the furosemide program shall report the administration on a form prescribed by the Commission. A report made under this subsection must be filed with the test barn supervisor not later than two hours before post time for the first race of that day. Horses not on the Lasix Report are subject to vet scratch.

Sec. 313.303. Effective Time of Claim

(a) A person who has a valid claim to a horse becomes the owner of the horse when the horse steps on to the racetrack for the race. A claim shall be voided and ownership of the horse retained by the original owner if:
(1) the horse dies on the racetrack or is euthanized by a Commission Veterinarian before leaving the racetrack, either on the race surface or in the equine ambulance.
(2) the horse has a musculoskeletal injury that requires loading in the equine ambulance for safe removal from the track. This claim is only voided after proper Veterinary examination of injury and the on duty Commission Veterinarian is contacted and approves of euthanasia. Horses euthanized without Veterinarian examination and notification to the attending Commission Veterinarian will not be entitled to a voided claim.
(b) Horses vanned off the track for medical conditions (including but not limited to EIPH, Myositis, heat stress, extreme exhaustion) will not be treated as a voided claim.
(c) On the day claimed, a claimed horse runs in the interest of and for the account of the owner from whom the horse was claimed.

Sec. 313.304. Claim Irrevocable

(a) Except as otherwise provided by this section, a claim that is filed in accordance with this subchapter is irrevocable.

(b) If the stewards declare a claiming race a "no-race", all claims for that race are invalid.

Sec. 313.305. Amounts of Deposit

(a) To make a valid claim, a person must have on deposit with the horsemen's bookkeeper an amount of the claim, plus all transfer fees, in the form of cash, money order, certified check or cashier's check.

(b) A person who files a claim may not exhaust the person's account with the association during the two-hour period after the claim was filed.

Sec. 313.306. Transfer of Claimed Horse

(a) A horse that has been claimed in a claiming race shall be taken after the race to the area designated by the association for delivery to the claimant, unless the horse is designated for testing.

(b) A person may not refuse to deliver a claimed horse.

(c) The engagements of a claimed horse automatically transfer to the new owner. A claimed horse is ineligible for entry in a future race unless the entry is made on behalf of the new owner.

(d) A horse may not be delivered to a successful claimant without authorization from a steward or a designee of the stewards.

Sec. 313.307. Responsibility of Testing

The trainer losing a horse through a claim is nevertheless responsible for the results of any drug tests performed on specimens obtained from the horse. The trainer is responsible for the horse during the testing procedures and may not deliver the horse to the successful claimant in the test barn until the commission veterinarian informs the trainer or representative that all testing procedures are complete.

Sec. 313.308. Restrictions on Subsequent Use

(a) A horse claimed in a claiming race in Texas:
(1) may not be sold or transferred in whole or part, by any method other than a claiming race during the 30-day period after the initial claim;
(2) and is ineligible to start in a race at a race meeting other than the one at which it was claimed until the end of the meeting at which the horse was claimed, except in a stakes race after verification by the board of stewards.

(b) A horse claimed in another state is subject to the eligibility requirements for claimed horses in effect at the time of the claim in the jurisdiction in which the horse was claimed.
