**Attention Horsemen - Updated Shipping Requirements - Effective Immediately:**  
 ^^Horses originating from any premise under quarantine for Equine Piropiasmosis shall not enter Lone Star Park (LSP).

^^Horses entering from any part of Kleburg County or adjacent counties (Nueces, Jim Wells, Brooks & Kenedy) not under quarantine may enter LSP so long as accompanied by a certificate of Veterinary Inspection prepared and signed by an accredited veterinarian within fourteen (14) days and these horses will be required to stable in Barn E-7 only while at LSP.

^^Though not required at this time, LSP recommends that all horses shipping in regardless of origin be inspected by a veterinarian for ticks upon arrival.

^^We do expect that these policies could change in the near future so please check the overnight and horsemen's information section of our website - [www.lonestarpark.com](http://www.lonestarpark.com) for updates.

\*\*

Before moving horses from Texas, we urge you and your veterinarian to check with animal health officials for any state of destination, to ensure the animals have met all entry requirements.
