
PARKING

Horsemen may enter the parking lot by displaying the designated "Horsemen" hang-tag from the rear view mirror of their vehicle. Gates 1, 4 and 5 have designated pass lanes. Your racing license is also valid for entry into the designated parking areas. Animals or firearms are not permitted in the parking lots. The Horsemen's Lot during the Racing Season is located on the west side of the Grandstand, directly across from the Post Time Pavilion and also on the east side in the "Suites Lot". Persons not authorized to park in these areas are subject to be towed at the owner's expense. Because vehicles with trailers require a large turning radius and additional spaces to park, they may park in the General Parking Lot only. During simulcasting, Horsemen must have their hang-tag on their rear view mirror and may park in the General Parking Lot (enter through the Gate 1 pass lane). "Horsemen" hang-tags are issued in the Racing Administration Building and require TXRC license, license plate number and vehicle description.
