## Paula Newman

Paula Newman joined Lone Star Park at Grand Prairie in May 1997 as the Controller, was promoted to Vice-President of Finance in September 1999, and elevated to Vice-President and Assistant General Manager in February 2007.

A member of the Lone Star Park Executive Committee, Newman currently manages all areas of financial responsibility for the company. In addition to daily management of the Accounting Department and personnel in the MIS Department, Newman spearheaded the implementation of the Sarbanes Oxley procedures in 2004.

One of her first assignments at Lone Star Park included establishing all policies and procedures for the Accounting Department, which included internal auditing. She selected and implemented new accounting software that allowed the company to more efficiently report revenues and expenses by department. She also developed monthly and annual departmental budget and reporting procedures to provide department managers with timely and accurate financial information.

A native of Oklahoma City, Okla., Newman received her Bachelors Degree in Accounting from East Central University in Ada, Okla. and received her CPA certification in 1994. In 2003, she received her Masters of Business Administration from Texas Christian University in Fort Worth. That same year, Newman made the Fort Worth Business Press' "Forty Under 40" list for her contributions to business.

Prior to Lone Star Park, Newman was the Controller for Remington Park in Oklahoma City for eight years and established a Private Certified Public Accounting practice.

A resident of Southlake, Texas, Newman serves on the board for the Grand Prairie Chamber. In her spare time, she enjoys tending to her three American Quarter Horses and is an avid competitor in barrel racing. She has competed in several prestigious events, including the Fort Worth Stock Show.
