INSTRUCTIONS

How to Make Your Wagers

1. Scan your Barcode, located on the front of your official lanyard, at one of the designated Self-Serve machines.
2. Enter your PIN, also located on the front of your official lanyard.
3. Place your wager(s).
   NOTE: All wagers are $2 WIN/PLACE on a single horse.
4. Press "Buy Bet" or "Finish", located on the bottom-right corner of the self-serve screen, when you are done ("Buy Bet" to continue wagering and "Finish" to log out).

How to View your Wager History OR How to Cancel a Wager

1. Log in to your tournament account by following steps 1 & 2 above.
2. Press the "Account" tab, located on the top-left area of the self-serve screen
3. Press "Recap".
   NOTE: The recap screen will show your Tournament Wagering History for the day.
4. To cancel a wager, press "Cancel" next to the wager you'd like to cancel and confirm by pressing "Cancel" again.

Important Reminders:

- You will place a total of fifteen (15) $2 WIN/PLACE wagers totaling $60 in mythical wagers.
  - Your account will be credited with a beginning balance of $60.
  - You will need to make your fifteen wagers on 8 mandatory races & 7 optional races.
  - All wagers are on a single horse.
  - Only one wager is allowed per race.
- There is a cap placed on all mutuel payoffs.
  - WIN Cap is 20/1 ($42.00)
  - PLACE Cap is 10/1 ($22.00)
- The highest final bankrolls will determine the order of finish.
- Wagers must be made at designated self-serve machines.
  - Tournament machines will be designated by having signage attached to the front.
- Your account balance is viewable on the self-serve machine after logging in.
- Failure to wager on a mandatory race will result in a score of $0 for that race.
- You are responsible for all activity appearing in your tournament account.
- DO NOT lose your Lanyard; the barcode located on it is the only way to access your account.
  NOTE: Rule 8 in regards to scratches.

8.1 *Optional Races*: There will be no specifying of alternates. If a horse that the player has selected is scratched, the player will receive either a full refund or may cancel the wager in order to make another wager. A full refund shall be given to the player if the player's bet was voided due to a scratch, cancellation, or for any reason the official tote system declares the wager voided. A player may re-bet a refunded wager. A player may cancel a bet at any time prior to the post time of that race.

8.2 *Mandatory Races*: If a horse that the player has selected is scratched, the player will receive either the post time favorite or may cancel the wager in order to make another wager on the same mandatory race. It is the player's responsibility to change the selection prior to the start of the race. If the player's selection scratches in a mandatory race and no replacement wager is placed prior to the start of the race, the player shall be assigned the official betting favorite. A full refund shall NOT be given to the player in a mandatory race. A player may revise or cancel a bet at any time prior to the post time of that race.
