

Lone Star Park Racing Club FAQs

Q: What if 150 memberships are not sold?

A: The Club will sell memberships on a first come, first serve basis, up to 150. The Club will operate with a minimum of 60 memberships. If the minimum number is not reached, all dues will be refunded in full.

Q: What is paid with the \$500 Membership Fee?

A: The funds raised from membership will be used to pay the purchase price of the horse, as well as training fees and other related expenses. Other expenses will include the cost of custom-made racing silks for the 2019 Lone Star Park Racing Club and for the required Texas Racing Commission license for a racehorse owner. There are no hidden expenses or costs.

Q: Will I know about all the expenses?

A: The goal of the Lone Star Park Racing Club is to provide a transparent view into racehorse ownership. Members will receive a detailed monthly statement with all expenses and any earnings via email.

Q: What if the horse is claimed away from the Club?

A: Should the horse be claimed mid-season, the claim price money will automatically be deposited into the club's horsemen's account. The trainer will then make a decision on how to obtain another horse (claim or private purchase) if enough funds exist in the Lone Star Park Racing Club account to continue to the end of the meet. Otherwise, the Lone Star Park Racing Club will be dissolved.

Q: What happens at the end of the Lone Star Park season?

A: The horse(s) will be sold and money will be deposited into the club's horsemen's account.

Q: What happens to the money in the Club account after the dispersal of the horse?

A: After all financial obligations have been met; the remainder of monies will go to repay membership dues up to and not to exceed \$500. Any additional monies left in the account will be donated to an equine related charity selected by the Board of Directors.

Q: What other benefits are available through my joining the Club?

A: There are many great Club benefits including free admission for you and one guest for the entire 2019 Thoroughbred season, a horsemen's parking pass, guests passes for additional friends and family on the day(s) the club's horse races, along with paddock access on these race days as well, escorted barn area tours to see the club's horse and trainer, and other exclusive club events to be announced that will coincide with the race meet and horse sale at Lone Star Park.
