Frequently Asked Questions:

- 1) **Can someone “Double Qualify” for the NHC from Lone Star Park?**
Yes. A participant is allowed to earn up to Two (2) NHC Seats in total as well as both of them from Lone Star Park, but only One (1) NHC Seat per event. Any participant that happens to have two entries from any one event finish in places that both award NHC Seats will only receive One (1) NHC Seat from that event and will be awarded the applicable prize money only for the second.
- 2) **I’m not an NHC Tour member; can I still participate in a Lone Star Park tournament?**
Yes, however, Current NHC Tour membership is required before the start of the contest to be eligible for winning a Seat to the NHC. Non-Tour members can earn prize money only.
- 3) **Why do you say “No Entry Fee” when there is a “Buy-In” required?**
The “Buy-In” is 100% your bankroll. We’re just tracking your play. You keep your winnings and remaining balance. The vast majority of other tournaments take a percentage of your buy-in and will apply it to the prize purse (the entry fee). Lone Star Park is 100% funding all prizes to be awarded. We feel this adds incredible value to the horseplayer and provides a much greater chance for you to walk away a winner! When you buy-in to a Lone Star Park Live Money Tournament there is no monetary commitment. You have the option to disqualify yourself from prize contention at any time by withdrawing your full balance.
