ACCREDITED TEXAS-BRED PROGRAM (ATB)

To encourage the breeding of horses in this state, any accredited Texas-Bred horse finishing first, second or third in any race in Texas (other than a stakes race restricted to Accredited Texas-Breds) may be eligible for Owner, Breeder and/or Stallion Awards through the ATB Incentive Program.

Funding for awards is derived from breakage and 1% of all multiple wagers at each racetrack, with each racetrack generating awards funds only for the horses racing at that track. From the total generated, award funds are separated into categories for eligible owners (40%), breeders (40%) and stallion owners (20%). Additionally, the first 25% of all awards generated is set aside for Owner Bonus Awards, paid to owners of ATB horses finishing first, second or third in open company races. The Owner Bonus is in addition to regular ATB Owner Awards.

In this condition book, the acronym ATBOIA appearing in parentheses in race conditions after the amount of the overnight purse stands for estimated Accredited Texas-Bred Owner Incentive Awards.

Owner incentive awards are not considered part of the purse, and therefore, are not subject to deductions for jockey fees.

The amount of the estimated ATB owner incentive awards available for each race restricted to Accredited Texas-Breds will appear like the following example: (Plus \$1,000 ATBOIA).

The amount of the estimated ATB owner incentive awards available for each open company race will appear like the following example: (Plus up to \$1,000 ATBOIA).

All ATB Incentive Program awards – owner bonus, owner, breeder and stallion owner - will be paid by the Texas Thoroughbred Association approximately four weeks after the Lone Star Park at Grand Prairie meet has ended.

To be admitted on to Lone Star Park at Grand Prairie's grounds, a horse must have:

1. A negative test for equine infectious anemia conducted in accordance with rules of the Texas Animal Health Commission in the twelve-month period preceding the horse's arrival. It is a criminal offense to transfer ownership of a horse (by Bill of Sale or Claim) without a current negative Coggins. To keep Coggins test from expiring during the meeting, they MUST be dated after July 12, 2020.
2. A health certificate issued in the 30-day period preceding horse's arrival.
3. We also continue to require that all horses admitted to the stable area to have a current (within 180 days) FDA approved EHV-1 vaccine or EHV-1 booster. Vaccine information must be noted on the health certificate for admittance to Lone Star Park at Grand Prairie's grounds.

SHOE RULES

ENTRY RULES

1. Racing Office will open for entries at 8:00 am. Entries close at 10:00 am. No entries accepted on overfilled races after closing of entries.
2. A horse must be tattooed, and the registration papers, current negative Coggins must be on file in the Racing Secretary's office not later than one hour before post time for the first race of that day.
3. When a person makes a coupled entry, the entry with the better date will be preferred in an overnight race. If they have the same date, the trainer must make first and second choice. Two horses having a common tie through ownership or trainer cannot start to the exclusion of a single interest (excluding stakes races). However, a second choice has preference over an in-today horse. All coupled entries must have a second rider named by one hour prior to the first post time.
4. A blinker change must be approved by the starter and reported at time of entry.
5. In all races, winners are preferred except where the conditions of the race state otherwise. Maidens entering in winner's race must declare at time of entry that the horse is a maiden.
6. Owners and Trainers must be careful to claim allowances and preference date at time of entry. This is the sole responsibility of the person making the entry.
7. Horses not entitled to the first allowance in a race are not entitled to the second and, if not to the second, then to any subsequent allowances.
8. No horse shall be entered in more than one race on any racing day (excluding stakes races).

WORKOUTS AND FIRST-TIME STARTERS

If a horse has not started in the **60-day period** preceding a race, the horse must have **one published workout** to be eligible to start in that race.

If a horse is a **first-time starter**, the horse must have **two published workouts, one of which must be from the starting gate within 90 days and one must be within the last 60 days of the race entered**, in order to be eligible to start in a race. The first-time starter must also be approved from the starting gate by an approved facility for proficiency in the starting gate. Lone Star Park's starter reserves the right to refuse an approval from another facility.

All horses working at Lone Star Park at Grand Prairie must be identified by name (breeding if unnamed), type of workout and distance to the Gap Attendant. Failure to report this information will result in referral to the stewards. Foal certificates must be on file in the Lone Star Park at Grand Prairie Racing Office before a horse will receive an official work.

6. All registration certificates including digital certificates received after **Wednesday, April 7, 2021** through **Thursday, April 22, 2021** will receive a preference date of **E1**. - Each horse to be drawn into the race must have its jockey named by the time established by the Racing Secretary for the draw of post positions and before the overnight is printed.
- An apprentice allowance may only be claimed before entries have closed.
- It is the trainer's responsibility to name a jockey before the drawing of the race. Should a jockey remain unnamed at the time of the drawing of entries, the Stewards or their appointee shall select one. No jockey, once named, shall be changed except for good cause by the Stewards.

HORSEMEN'S BOOKKEEPING

In the State of the Texas the horsemen's bookkeeping system is centralized by the Texas Horsemen's Partnership, in order to better serve the horsemen running at the numerous tracks throughout the state. It is now similar to branch banking. This means that any necessary account maintenance can be done from any racetrack running a live meet in the state and through the Texas Horsemen's Partnership main office in Austin year round.

Prior to starting a race an owner must have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs incurred in starting that horse.

Prior to putting in a claim for a horse the owner or their Designated Representative must insure that all funds incurred with claiming a horse are on deposit in said account.

The following are the numbers for the numerous branch bookkeeping offices throughout the state:

CLAIMING RULES

313.301. Eligibility to Claim

Except as otherwise provided by this section, in a claiming race, each horse is subject to be claimed for its entered price by:

- (1) a licensed owner or lessee or an authorized agent acting on behalf of the owner or lessee;
- (2) a person who has applied for an owner's license and has been granted approval by the stewards to make a claim.

A claim may not be made directly or indirectly by an owner for his or her own horse.

If the person making a claim is a minor, the claim must be co-signed by a licensed adult parent or guardian of the minor. A parent or guardian who co-signs a claim is liable for the claim. A claim made by a minor that is not co-signed in accordance with this subsection is invalid.

313.302. Claim Procedure

A steward or a designee of the stewards shall supervise the making of claims and ensure the accuracy of all claims made in a race.

A claim must be made in writing on forms and in envelopes approved by the executive secretary. The form and envelope must be filled out completely and must be accurate in every detail. For purpose of this section, the name of the horse as it appears in the official program governs.

The person making a claim is responsible for determining the sex of the horse.

A claim must be time stamped with the official track time shown on the tote board and deposited in a locked box provided by the Racing Secretary not later than 15 minutes before post time of the race in which the horse being claimed is to start. A person may not place money or its equivalent in the claim box.

Before the deadline for filing claims for a race, a person may not: open the box in which claims are deposited; or reveal information regarding the filing of a claim.

After the deadline for filing claims for a race, a Steward or a designee of the stewards shall open the box, examine the claims, and notify the stewards of all accurate claims. The stewards or designee will then notify the horsemen's bookkeeper of the claims to determine whether the appropriate amount is on deposit with the bookkeeper in accordance with 313.305 (relating to amounts of deposit) and to debit the claimant's account for the amount of the claim, plus all applicable fees. If more than one person enters a claim for a horse, a steward or a designee of the stewards shall determine the disposition of the horse by lot.

313.303. Effective Time of Claim

A person who has a valid claim to a horse becomes the owner of the horse when the horse goes on to the racetrack for the race. This subsection applies regardless of whether the horse reaches the starting gate and regardless of subsequent injury to the horse during or after the race.

On the day claimed, a claimed horse runs in the interest of and for the account of the owner from whom the horse was claimed.

313.304. Claim Irrevocable

Except as otherwise provided by this section, a claim that is filed in accordance with this subchapter is irrevocable.

If the stewards declare a claiming race a "no-race", all claims for that race are invalid.

313.305. Amounts of Deposit

To make a valid claim, a person must have on deposit with the horsemen's bookkeeper an amount of the claim, plus all transfer fees, in the form of cash, money order, certified check or cashier's check.

A person who files a claim may not exhaust the person's account with the association during the two-hour period after the claim was filed.

313.306. Transfer of Claimed Horse

A horse that has been claimed in a claiming race shall be taken after the race to the area designated by the association for delivery to the claimant, unless the horse is designated for testing. **PLEASE NOTE THAT CLAIMED HORSES WILL BE EXCHANGED IN THE PADDOCK IMMEDIATELY FOLLOWING THE RACE.**

A person may not refuse to deliver a claimed horse.

The engagements of a claimed horse automatically transfer to the new owner. A claimed horse is ineligible for entry in a future race unless the entry is made on behalf of the new owner.

A horse may not be delivered to a successful claimant without authorization from a steward or a designee of the stewards.

Sec. 313.307. Responsibility of Testing

The trainer losing a horse through a claim is nevertheless responsible for the results of any drug tests performed on specimens obtained from the horse. The trainer is responsible for the horse during the testing procedures and may not deliver the horse to the successful claimant in the test barn until the commission veterinarian informs the trainer or representative that all testing procedures are complete.

Sec. 313.308. Restrictions on Subsequent Use

(a) A horse claimed in a claiming race in Texas:

- (1) may not be sold or transferred in whole or part, by any method other than a claiming race during the 30-day period after the initial claim;
- (2) and is ineligible to start in a race at a race meeting other than the one at which it was claimed until the end of the meeting at which the horse was claimed, except in a stakes race after verification by the board of stewards.

(b) A horse claimed in another state is subject to the eligibility requirements for claimed horses in effect at the time of the claim in the jurisdiction in which the horse was claimed.

TATTOOING & DIGITAL CERTIFICATES

All horses must be tattooed to be eligible to start.

DIGITAL TATTOOING PROCEDURES

If your horse has a lip tattoo then you are good to race. If your horse is a foal of 2018 or greater your horse must have a microchip and be digitally tattooed by a TRPB technician. A digital tattoo is the TRPB technician validating that the microchip that was implanted matches the digital foal papers and also includes taking new photos of the horse.

Should a horse not have a microchip implanted, the owner or trainer of horse can instruct a veterinarian to insert the microchip. **TRPB technicians are not allowed to insert microchips.**

If your horse is a foal before 2018 and has not been tattooed that horse must require a microchip. The bar code sticker containing the microchip must be placed on the foal certificate of that horse. The microchip must match the bar code sticker in order for the TRPB technician to verify and stamp registration papers as **TRPB VERIFIED**.

Lone Star Park **TRPB tattoo technician is Diantha Brazzell**. Her contact is **214-683-2053** to schedule an appointment.

The cost to have your horse TRPB VERIFIED is \$80.00 for each horse and must be paid before TRPB technician digitally tattoos your horse. If trainer is not going to be present, the trainer needs to leave a check or cash. NO EXCEPTIONS.
