Each player will have a fictional bankroll of \$60 in his/her account and must place fifteen (15) fictional \$2 Win wagers and fifteen (15) fictional \$2 Place wagers for a total of thirty (30) wagers totaling sixty dollars (\$60). Win/Place wagers must be placed on a single horse in each of the 15 races. Failure to make any of the thirty (30) wagers will result in forfeiture of the fictional bankroll designated for each wager which is not made (i.e. a score of zero (0) points for the designated race). There will be eight (8) mandatory races in the contest and players must wager on those races. If a Player fails to wager on a mandatory race, the player will receive zero (0) points for the mandatory race. If a mandatory race is cancelled for any reason, Lone Star Park Officials will select an alternate race. The players must choose seven (7) races from the list of remaining eligible tracks and eligible races in which to place their remaining bets (Optional Races). The optional races must differ from the mandatory races. Players select any seven (7) races, not already chosen as mandatory races, from any of the eligible races from the eligible tracks. Eligible Tracks will be posted on the website and at the front desk of Bar & Book. Tracks are subject to change. In each of the mandatory and optional races, players must place one (1) \$2 Win wager and One (1) \$2 Place wager on the same horse. Multiple wagers on different horses in any one race are prohibited. There is a cap placed on all mutuel payoffs. The Win cap is 20/1 (\$42.00). The Place cap is 10/1 (\$22.00).
