  NOTE: Rule 8 in regards to scratches.

8.1 *Optional Races*: There will be no specifying of alternates. If a horse that the player has selected is scratched, the player will receive either a full refund or may cancel the wager in order to make another wager. A full refund shall be given to the player if the player's bet was voided due to a scratch, cancellation, or for any reason the official tote system declares the wager voided. A player may re-bet a refunded wager. A player may cancel a bet at any time prior to the post time of that race.

8.2 *Mandatory Races*: If a horse that the player has selected is scratched, the player will receive either the post time favorite or may cancel the wager in order to make another wager on the same mandatory race. It is the player's responsibility to change the selection prior to the start of the race. If the player's selection scratches in a mandatory race and no replacement wager is placed prior to the start of the race, the player shall be assigned the official betting favorite. A full refund shall NOT be given to the player in a mandatory race. A player may revise or cancel a bet at any time prior to the post time of that race.
