ACCREDITED TEXAS-BRED PROGRAM

Any Accredited Texas-Bred that runs first, second, or third in any race (other than a stakes restricted to Accredited Texas-Breds) during the Lone Star Park at Grand Prairie Quarter Horse Meet will receive bonus incentive money distributed by the Texas Quarter Horse Association.

Accredited Texas-Bred Incentives will be paid by the Texas Quarter Horse Association at the conclusion of the meet. That means Accredited Texas-Breds run for bigger purses than horses foaled in other states that are running in the same race. Races restricted to Accredited Texas-Bred horses have bigger purses than the same class of race for open company horses. Incentive awards are distributed 50% to first, 30% to second and 20% to third.

Additional Accredited Texas-Bred awards for breeders and stallion owners are also paid at the conclusion of the meet through the office of the Texas Quarter Horse Association on eligible ATB horses.

ELIGIBILITY

No entries will be accepted for the following:

- A horse that is more than 12 years of age may not start in a pari-mutuel race in this state unless:
  (a) The horse has finished first, second or third in an officially sanctioned race during the 12 month period preceding the race in which the horse is to start; or
  (b) Upon due consideration of the horse's past performance, the board of stewards has given specific authorization for the horse to start.
- Entries will not be accepted for horses that are deemed to be non competitive or unfit to race by the Racing Secretary, Stewards or State Veterinarian.

COGGINS AND HEALTH CERTIFICATES

To be admitted on to Lone Star Park at Grand Prairie's grounds, a horse must have:

1. A negative test for equine infections anemia conducted in accordance with rules of the Texas Animal Health Commission in the twelve-month period preceding the horse's arrival. It is a criminal offense to transfer ownership of a horse (by Bill of Sale or Claim) without a current negative Coggins. To keep Coggins test from expiring during the meeting, they MUST be dated after November 25, 2022.
2. A health certificate issued in the 30-day period preceding horse's arrival.
3. We also continue to require that all horses admitted to the stable area to have a current (within 180 days) FDA approved EHV-1 vaccine or EHV-1 booster. Vaccine information must be noted on the health certificate for admittance to Lone Star Park at Grand Prairie's grounds.
4. It is mandatory for all horses except thoroughbreds to have a negative Piroplasmosis cElisa test for Theileria equi that has been performed in the last year.

SHOE RULES

Under TXRC Section 313.426 (a) A Thoroughbred or Arabian is ineligible to start in a race when it has shoes (racing plates) that have toe grabs with a height greater than two millimeters (0.07874 inches), bends, jar chalks, stickers or any other traction device on the front hooves.
(b) A Quarter Horse, Paint Horse or Appaloosa is ineligible to start in a race when it has shoes (racing plates) that have toe grabs with a height greater than four millimeters (0.15748 inches), bends, jar chalks, stickers or any other traction device on the front hooves.
On the turf course, the only shoes allowed are queen xt and silver queen xt.
All shoes will be inspected upon arrival in the paddock and violators will be scratched and are subject to be fined.

TATTOOING

All horses must be tattooed to be eligible to start. The cost of tattooing a horse is $120 and must be paid prior to the horse being tattooed. Please contact Aaron Newsom at (817)597-0578 to schedule an appointment.

To nominate to a stake by e-mail, please send e-mails to:
racing@lonestarpark.com
To nominate by phone, Call: **(972) 237- 5046**

ENTRY RULES

1. Racing Office will open for entries at 9:30 am. Entries close at 11:30 am. No entries accepted on overfilled races after closing of entries.
2. A horse must be tattooed or TRPB verified, and the registration papers or digital papers along with a current negative Coggins must be on file in the Racing Secretary's office not later than one hour before post time for the first race of that day.
3. When a person makes a coupled entry, the entry with the better date will be preferred in an overnight race. If they have the same date, the trainer must make first and second choice. Two horses having a common tie through ownership or trainer cannot start to the exclusion of a single interest (excluding stakes races). However, a second choice has preference over an in-today horse.
4. A blinker change must be approved by the starter and reported at time of entry.
5. Maidens entering in winner's race must declare at time of entry that the horse is a maiden.
6. Owners and Trainers must be careful to claim allowances and preference date at time of entry. This is the sole responsibility of the person making the entry.
7. Horses not entitled to the first allowance in a race are not entitled to the second and, if not to the second, then to any subsequent allowances.
8. No horse shall be entered in more than one race on any race day, unless at least one of the races is a stake race. If such an entry does happen to cause a race to overfill and lead to an exclusion, the horse must remain in the body of the overfilled race. In the event both races overfill, the decision must be made prior to closing of entries.
9. All races, overnights and stakes, will be drawn with up to two Also Eligibles.

WORKOUTS AND FIRST-TIME STARTERS

If a horse has not started in the **60-day period** preceding a race, the horse must have **one published workout** to be eligible to start in that race.

If a horse is a **first-time starter**, the horse must have **two published workouts, one of which must be from the starting gate within 90 days and one must be within the last 60 days of the race entered**, in order to be eligible to start in a race. The first-time starter must also be approved from the starting gate by an approved facility for proficiency in the starting gate. Lone Star Park's starter reserves the right to refuse an approval from another facility.

First time starters around the turn must be approved by the clocker prior to entering in a one turn race and have a **minimum 660 yard** published workout within the last **60 days**. Trainers must notify the clocker prior to working a horse for turn approval.

Any horse that has not started within the last 365 days must have 2 published workouts within 60 days preceding the race and an approved letter from the attending veterinarian to be eligible to run.

All horses working at Lone Star Park at Grand Prairie must be identified by name (breeding if unnamed), type of workout and distance to the Gap Attendant. Failure to report this information will result in referral to the stewards. Foal certificates must be on file in the Lone Star Park at Grand Prairie Racing Office before a horse will receive an official work.

HOTWALKERS

For lease or service information about any of the hotwalkers please contact the racing office at (972) 237-1130 or (972) 237-5058 or toll-free at (888) 4RACING.

RECEIVING BARN

All horses shipping in to race must stable in the receiving barn. Horses shipping in to Lone Star Park at Grand Prairie to work or shipping earlier than their scheduled race day must contact the Stall Superintendent before shipping. All horses shipping in to work must vacate the receiving barn by 11:00 am on race days.

SCRATCH POLICY

All horses scratched at Lone Star Park at Grand Prairie may only be made by permission of the stewards. Scratch time will 10:30 am on race day.

PREFERENCE SYSTEM

1. Preference date will not be assigned until the horse's papers and current negative Coggins tests are on file in the Racing Office. To keep Coggins tests from expiring during race meet they must be dated on or after **November 25, 2022.**
2. In any overnight race, regardless of conditions, an 'in today' horse is ALWAYS least preferred and the second part of an entry (by owner or trainer) cannot enter to the exclusion of a single interest. Though the second part of an entry is preferred over an 'in today' horse.
3. Condition eligibility preference applies to all races except stakes. In optional allowance/claiming races, horses eligible to the allowance condition will have first preference. Condition eligibility supersedes dates but will be used after rule #2 has been applied.
4. Preference dates will not supersede the conditions of a race.
5. All registration certificates including digital certificates received on or before **Tuesday, August 29, 2023** will receive a zero, which is the lowest possible date. A horse keeps his zero until he runs, scratches, or the papers are removed from the Office (unless, for just cause - tattoo, corrections, etc.) the Racing Secretary may determine the status of the preference date established.
6. All registration certificates including digital certificates received after **Tuesday, August 29, 2023** through **Friday, September 8, 2023** will receive a preference date of **E1.** Registration certificates including digital certificates received after **Friday, September 8, 2023** will receive an "**E**" date corresponding to the race day that the certificates are submitted to the Racing Office. Certificates that are submitted to Racing Office on a non race day will be assigned the next upcoming race day date.
7. Horses that run will receive a running "**R**" date of the same day and lose any date previously held. This excludes Stakes and Trials in which they will retain their previous date.
8. Horses that remain in a race that is transferred to the main track from the turf course will revert back to their previous date.
9. Horses which scratch or are scratched will receive a scratch "**S**" date for the day that they were entered to run.
10. All horses placed on the Steward's, Starter's or Veterinarian's lists will be posted on the bulletin board. They will not be permitted to enter until they have been approved to start. A horse which raced before going on a list will keep its "R" date. Horses which were scratched will be given an "S" date of the day the horse comes off the list.
11. Entry "**E"** dates will have preference over a running "**R"** dates of the same date. Entry "**E"** dates and running "**R"** dates will have preference over scratch "**S"** dates of the same date.
12. Any quarter horse maiden with a zero date that is excluded at the counter from a "Maiden Allowance" race will receive a "01" date. Any maiden with a "01" date that is excluded at the counter will receive a "02" date and so on. In any Maiden Allowance" races a "01" will be preferred over a "0" and a "02" will be preferred over a "01" and so on. The dates are only valid in "Maiden Allowance" races. In all other race types, the date will revert back to the "0" date.
13. In no way does claiming, ownership transfer or trainer transfer of a horse affect the preference date. It is the responsibility of the person making an entry to claim preference at time of entry.
14. Preference dates are set at the time of entry. Any changes, omissions, discrepencies, errors, etc. must be lodged prior to the drawing of entries for that day.
15. Registration certificates with ownership transfers attached and/or are not tattooed will not receive a preference date.
16. In all matters, the Steward's ruling is final.

NAMING OF JOCKEYS

- Each horse to be drawn into the race must have its jockey named by the time established for the draw of post positions and before the overnight is printed.
- It is the trainer's responsibility to name a jockey before the drawing of the race. Should a jockey remain unnamed at the time of the drawing of entries, the Stewards or their appointee shall select one. No jockey, once named, shall be changed except for good cause by the Stewards.

HORSEMEN'S BOOKKEEPING

In the State of the Texas the horsemen's bookkeeping system is centralized by the Texas Horsemen's Partnership, in order to better serve the horsemen running at the numerous tracks throughout the state. It is now similar to branch banking. This means that any necessary account maintenance can be done from any racetrack running a live meet in the state and through the Texas Horsemen's Partnership main office in Austin year round.

Prior to starting a race an owner must have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs incurred in starting that horse.

Prior to putting in a claim for a horse the owner or their Designated Representative must insure that all funds incurred with claiming a horse are on deposit in said account.

The following are the numbers for the numerous branch bookkeeping offices throughout the state:

All Futurity, Derby, and Stakes Qualifiers must remain stabled on the grounds of Lone Star Park between the trials and finals.

Failure to comply with these policies may result in but not be limited to being scratched from a race or ejection from property, etc.

It will be the responsibility of each Trainer with horses entered in stakes races or that qualify as a finalist in Futurity or Derby races to make stabling arrangements through Racing Secretary and Stall Superintendent.

HAIR TESTING

The Texas Racing Commission resumed hair testing on September 1, 2022, as set out in the Texas Rules of Racing. All breeds will be subject to hair testing at random or for cause, as determined by the TXRC.

STABLE RULES

Lone Star Park Security will inspect and enforce the following:

1. Please remember that all manure must be placed in the bins provided for this purpose. Lone Star Park employees will remove only the manure placed in the bins. MANURE HANDLING PROCEDURES

Due to federal and state regulations, serious and monetarily substantial regulatory penalties can be imposed on Lone Star Park for allowing the improper handling of manure and bedding materials on the property. Every due diligence effort and precaution must be employed to prevent the contamination of ground water and migration of manure effluence into the storm drains.

- Lone Star Park is responsible for providing sufficient designated manure/bedding containers for each barn.
- It is the trainer's and his employee's responsibility to ensure that all manure and bedding is properly disposed of in the designated containers at each barn at all times.
- Trainers and their employees are also responsible to ensure that any manure and/or bedding dropped from the wheel barrels between the barn and the designated containers is subsequently picked up and placed in the designated containers.
- If the designated containers reach their capacity, trainers must call the stall superintendent at (972)237-5058 to request an additional container. Do not overfill the containers.
- Trainers and their employees are responsible for assuring that all trash, bottles and cans, etc. are properly placed in the trash containers provided at the ends of each barn and not in the designated manure containers.
- Trainers and their employees are responsible for picking up and properly disposing of all manure deposited by their horses while on the hotwalkers. No bedding materials are permitted around the hotwalkers.
- Additionally horses must be washed only in the designated horse wash racks inside each barn.
- And all washing machines must drain into the wash rack drains inside the barn.

DORMITORY ROOMS

Dormitory rooms will be assigned to trainers based on the number of stalls they have been assigned. The trainer is required to pay $100 non refundable fee for each room allotted. $35 key deposit and keys must be returned and rooms maintained to the satisfaction of Lone Star Park at Grand Prairie management, if not, additional charges may apply. The stall superintendent will assign dormitory rooms.

Phenylbutazone: Phenylbutazone (Bute) is the only approved anti-inflammatory drug, which may be present in the body of a horse while participating in a race. The test level of Bute shall not exceed 0.3 micrograms (mg) per milliliter (ml) in plasma.

BLEEDER PROGRAM - Texas Racing Commission Excerpts:

(a) Diagnosis of EIPH (a Bleeder). A bleeder is a horse that experiences Exercise Induced Pulmonary Hemorrhage (EIPH). Except as otherwise provided by this subsection, the medical diagnosis of EIPH may be made only by a commission veterinarian or a veterinarian currently licensed by the commission. If the first EIPH event experienced by a horse in another pari-mutuel racing jurisdiction will also constitute a first report of a diagnosed EIPH event for purposes of this section. A veterinarian who diagnoses an EIPH event in a horse participating in pari-mutuel racing in this state shall report the event to the commission veterinarian in a format prescribed by the executive secretary. On receipt of the first report of a diagnosed EIPH event for a horse, the commission veterinarian shall certify the horse as a bleeder.

(b) Admission to the Furosemide Program. (1) A trainer may admit a horse to the furosemide program by stating at the time of entry that the horse will compete with furosemide. (2) A horse that competed with furosemide in its most recent start out-of-state must compete on furosemide in Texas unless withdrawn from the furosemide program at the time of entry. (3) An EIPH event experienced by a horse that is admitted to the furosemide program is deemed to be a first EIPH event for purposes of Subsection (g) of this section.

(c) Administration of Furosemide. Furosemide shall be administered to a horse in the furosemide Program not later than four hours before the published post time for the race the horse is entered to run. The furosemide must be administered intravenously by a veterinarian licensed by the commission. The executive secretary shall periodically publish the permissible blood levels of Furosemide in post race specimens and shall post the levels at each licensed racetrack.

(d) Requirement to Use Furosemide. A horse in the furosemide Program in Texas must compete with furosemide until withdrawn from the Program.

(e) Withdrawal from Furosemide. (1) To withdraw a horse from the furosemide program, the trainer must state his/her intention to race the horse without furosemide at the time of entry (2) A horse in the furosemide program that competes out-of-state without furosemide is considered to have been removed from the Texas furosemide program effective the date of its first race without furosemide. (3) Withdrawal from the furosemide program does not prohibit a horse from subsequent readmission to the program in accordance with this section.

(f) Readmission to the Furosemide Program. A horse may be readmitted to the furosemide program if: (1) at least 60 days have elapsed since the horse was withdrawn from the program. (2) the horse is required to compete with furosemide pursuant to subsection (b) (2) of this section; or (3) the commission veterinarian diagnoses the horse with another EIPH event.

(g) Bleeders List (1) The commission veterinarian shall maintain a list of horses that have been certified as bleeders and a list of horses that have been admitted to the furosemide Program. (2) On receipt of a report of diagnosed EIPH event, the commission veterinarian shall place the horse on the veterinarian's list. For the first diagnosed EIPH event, a horse shall be placed on the veterinarian's list and is ineligible to start in a race before the 12th day after the date of the EIPH event. For the second diagnosed EIPH event within 365 days of previous incident - 30 days. For the third diagnosed EIPH event within 365 days of previous incident - 180 days. For the fourth diagnosed EIPH event within 365 days of previous incident - barred from racing in this state. A horse that does not have a diagnosed EIPH (bleeder) event for 365 consecutive days is considered a non-bleeder for the purpose of the paragraph. The report of a diagnosed EIPH event from any pari-mutuel jurisdiction which officially records EIPH events will be recognized as an EIPH event by the commission. (3) Notwithstanding the foregoing, if after reviewing a report of a diagnosed EIPH event the commission veterinarian determines additional days on the veterinarian's list are essential to the health and safety of the horse, the commission veterinarian may extend the number of days the horse is on the veterinarian's list. The commission veterinarian shall record the medical reasons for the additional days.

(h) Report by Veterinarian A veterinarian who administers furosemide to a horse that has been admitted to the furosemide program shall report the administration on a form prescribed by the commission. A report made under this subsection must be filed with the commission veterinarian not later than one hour before post time for the first race that day.

Sec. 313.301. Eligibility to Claim

(a) Except as otherwise provided by this section, in a claiming race, each horse is subject to be claimed for its entered price by:
(1) a licensed owner or lessee or an authorized agent acting on behalf of the owner or lessee;
(2) a person who has applied for an owner's license and has been granted approval by the stewards to make a claim.

(b) A claim may not be made directly or indirectly by an owner for his or her own horse.

(c) If the person making a claim is a minor, the claim must be co-signed by a licensed adult parent or guardian of the minor. A parent or guardian who co-signs a claim is liable for the claim. A claim made by a minor that is not co-signed in accordance with this subsection is invalid.

Sec. 313.302. Claim Procedure

(a) A steward or a designee of the stewards shall supervise the making of claims and ensure the accuracy of all claims made in a race.

(b) A claim must be made in writing on forms and in envelopes approved by the executive secretary. The form and envelope must be filled out completely and must be accurate in every detail. For purpose of this section, the name of the horse as it appears in the official program governs.

(c) The person making a claim is responsible for determining the sex of the horse.

(d) A claim must be time stamped with the official track time shown on the tote board and deposited in a locked box provided by the Racing Secretary not later than 15 minutes before post time of the race in which the horse being claimed is to start. A person may not place money or its equivalent in the claim box.

(e) Before the deadline for filing claims for a race, a person may not: open the box in which claims are deposited; or reveal information regarding the filing of a claim.

(f) After the deadline for filing claims for a race, a Steward or a designee of the stewards shall open the box, examine the claims, and notify the stewards of all accurate claims. The stewards or designee will then notify the horsemen's bookkeeper of the claims to determine whether the appropriate amount is on deposit with the bookkeeper in accordance with 313.305 (relating to amounts of deposit) and to debit the claimant's account for the amount of the claim, plus all applicable fees. If more than one person enters a claim for a horse, a steward or a designee of the stewards shall determine the disposition of the horse by lot.

Sec. 313.303. Effective Time of Claim

(a) A person who has a valid claim to a horse becomes the owner of the horse when the horse goes on to the racetrack for the race. This subsection applies regardless of whether the horse reaches the starting gate and regardless of subsequent injury to the horse during or after the race.

(b) On the day claimed, a claimed horse runs in the interest of and for the account of the owner from whom the horse was claimed.

Sec. 313.304. Claim Irrevocable

(a) Except as otherwise provided by this section, a claim that is filed in accordance with this subchapter is irrevocable.

(b) If the stewards declare a claiming race a "no-race", all claims for that race are invalid.

Sec. 313.305. Amounts of Deposit

(a) To make a valid claim, a person must have on deposit with the horsemen's bookkeeper an amount of the claim, plus all transfer fees, in the form of cash, money order, certified check or cashier's check.

(b) A person who files a claim may not exhaust the person's account with the association during the two-hour period after the claim was filed.

Sec. 313.306. Transfer of Claimed Horse

(a) A horse that has been claimed in a claiming race shall be taken after the race to the area designated by the association for delivery to the claimant, unless the horse is designated for testing.

(b) A person may not refuse to deliver a claimed horse.

(c) The engagements of a claimed horse automatically transfer to the new owner. A claimed horse is ineligible for entry in a future race unless the entry is made on behalf of the new owner.

(d) A horse may not be delivered to a successful claimant without authorization from a steward or a designee of the stewards.

Sec. 313.307. Responsibility of Testing

The trainer losing a horse through a claim is nevertheless responsible for the results of any drug tests performed on specimens obtained from the horse. The trainer is responsible for the horse during the testing procedures and may not deliver the horse to the successful claimant in the test barn until the commission veterinarian informs the trainer or representative that all testing procedures are complete.

Sec. 313.308. Restrictions on Subsequent Use

(a) A horse claimed in a claiming race in Texas:

(1) may not be sold or transferred in whole or part, by any method other than a claiming race during the 30-day period after the initial claim;

(2) and is ineligible to start in a race at a race meeting other than the one at which it was claimed until the end of the meeting at which the horse was claimed, except in a stakes race after verification by the board of stewards.

(b) A horse claimed in another state is subject to the eligibility requirements for claimed horses in effect at the time of the claim in the jurisdiction in which the horse was claimed.
