Explanation of the Two Main Types of Wagers

- 1) **STRAIGHT WAGERS** (These wagers involve only one horse.)
 - **WIN** – You collect only if your horse finishes first. Minimum wager: \$2.
 - **PLACE** – You collect only if your horse finishes first or second. However, if your horse wins, you only collect the Place payout. Minimum wager: \$2.
 - **SHOW** – You collect if your horse finishes first, second, or third, but you only collect the Show payout. Minimum wager: \$2.
 - **ACROSS THE BOARD** – You are wagering on a horse to Win, Place and Show. You receive one ticket for all three wagers. If your horse wins, you receive Win, Place and Show payouts. If your horse finishes third, you only receive the Show payout. Because you are actually placing three wagers, the minimum wager is \$6.
- 2) **COMBINATION OR “EXOTIC” WAGERS** (These wagers involve two or more horses.)
 - **EXACTA** – To collect, you must pick the horses that finish first and second in exact order. For example, if you play a 3-5 Exacta, the #3 horse must win and the #5 horse must place (come in second) for you to collect.
 - **EXACTA BOX** – This wager is made to guarantee the outcome of the first two finishers regardless of which horse wins. For example, if you box the #3 and #5 horses and either the #3 or the #5 horse wins *and* finishes second, you win.
 - **TRIFECTA** – This wager is similar to an Exacta, except you must pick the horses that finish first, second and third in exact order.
 - **TRIFECTA BOX** – This wager is made to guarantee the outcome of the first three finishers regardless of which horse wins. For example, if you box the #3, the #5, and the #7 horses and either the #3, #5, or the #7 horse wins, finishes second, *and* third, you win.
 - **SUPERFECTA** – This wager is similar to an Exacta or Trifecta, except you must pick the horses that finish first, second, third and fourth in exact order. You may also Box a Superfecta wager.
 - **SUPER HI-FIVE** – This wager is similar to a Superfecta, except you must pick the horses that finish first, second, third, fourth and fifth in exact order. You may also Box a Super Hi-Five wager. Each individual track’s rules and regulations may vary (unique wagers, carryovers, etc.)
 - **DAILY DOUBLE** – To collect, you must select the winner of two consecutive races. For example, you must select the winners of the first race *and* the second race. You must place the wager before the first race of the two races.
 - **PICK (N.)** – To collect, you must select the winner of three, four, five, six, or more consecutive races, respectively. Again, you must place this wager before the first race of your Pick 3, Pick 4, Pick 5, Pick 6 or any wager involving selecting the winner of three or more races.
 - **FORTUNE PICK (N.)** – Similar to the PICK (N.) wager, to collect, you must select the winner of multiple consecutive races (usually at least five). However with this wager, you must have a unique winning combination to be awarded the entire “jackpot.” Again, each individual track’s rules and regulations may vary (unique wagers, major/minor pool allocation, carryovers, etc.)

Wagering Policies

- The minimum wagering age is 21 years old. (Sec.321.17)
- Per Racing Commission rules, an association may not cancel a win wager for more than \$500 on any live or simulcast race offered for wagering by the association, unless: (1) the patron requests to cancel the wager before leaving the teller’s window and before the ticket-issuing machines are locked; or (2) the stewards or racing judges order the wager to be canceled because of a scratch in the race. (a) If a patron desires to cancel a wager that is on the same mutuel ticket as a win wager that may not be canceled under this section, the association may cancel the ticket but must immediately replace the win wager that was on the ticket. (b) An association shall post a notice by each automatic ticket-issuing machine on association grounds that at a minimum states that a win wager for more than \$500 may not be canceled except if the stewards or racing judges order the wager be canceled because of a scratch in the race. (c) An association may adopt a house policy regarding the cancellation of win wagers that is more restrictive than this section, subject to the approval of the executive secretary.
- In the event of a payout of more than \$100,000 for a single wager, money will be wired the next day from the host track.
- Lone Star Park reserves the option to issue a check for payment on winnings in excess of \$10,000.
- I.R.S. regulations require that when gambling earnings exceed odds of 300 to 1 they must be reported. When gross earnings exceed \$5,000, a mandatory tax of 24 percent is withheld. We require two forms of positive identification: a picture I.D. and a Social Security card. Management reserves the right to determine if supporting identification is acceptable.
- If it becomes impossible to successfully merge a racetrack’s wager in the common pool, Lone Star Park at Grand Prairie will refund the pools not successfully merged in accordance with applicable rules.
- Effective September 1, 2007, pari-mutuel tickets purchased and vouchers issued on or after September 1, 2007 are only valid for one year from the date the ticket was purchased and/or the voucher was issued. You may cash your tickets during a future visit to Lone Star Park or tickets may be cashed by mail. Please print clearly and send your ticket with name and address to:
