ACCREDITED TEXAS-BRED PROGRAM

To encourage the breeding of horses in this state, any accredited Texas-Bred horse finishing first, second or third in any race in Texas (other than a stakes race restricted to Accredited Texas-Breds) may be eligible for Owner, Breeder and/or Stallion Awards through the ATB Incentive Program.

Funding for awards is derived from breakage and 1% of all multiple wagers at each racetrack, with each racetrack generating awards funds only for the horses racing at that track. From the total generated, award funds are separated into categories for eligible owners (40%), breeders (40%) and stallion owners (20%). Additionally, the first 25% of all awards generated is set aside for Owner Bonus Awards, paid to owners of ATB horses finishing first, second or third in open company races. The Owner Bonus is in addition to regular ATB Owner Awards.

All ATB Incentive Program awards – owner bonus, breeder bonus, owner, breeder and stallion owner will be paid by the Texas Thoroughbred Association approximately four weeks after the Lone Star Park at Grand Prairie meet has ended.

NOTE FROM THE EXECUTIVE DIRECTOR AMY F. COOK

The intent of the racetrack condition book preamble is to provide up-to-date information on requirements for racetracks and occupational licensees. Weekly visual inspections are required of racetracks during live racing and are to be reported to the Commission via email to info@txrc.texas.gov. Daily visual inspections are strongly encouraged. Any issues regarding the safety, integrity or welfare of racing participants should be immediately reported to the Commission.

If there is any conflict with the Texas Racing Act or the Texas Rules of Racing and racetrack house rules or race sponsor rules, the Texas Racing Act and Texas Rules of Racing prevail.

LICENSING

***Multiple Year Licenses are available for the following: Jockeys, Owners, Trainers. and Veterinarians.

Prior to entering a horse into a race, all participants (trainers, owners, and those in their employ that require a license to perform their duties) should have a current Texas Racing Commission license.

TRAINERS:

- All Trainers shall be licensed prior to the entry procedure and are encouraged to update their license before reserving a stall for a live race meet or training facility works.
- It is the trainer's responsibility to keep the Texas Racing Commission licensing office current on their owners' and employees' status. Failure to do so may result in disciplinary action by the stewards.
- 3. Whenever a trainer terminates an employee, the licensing office should be notified, and their badge returned. The license badge may be returned to the licensee when they are employed by another licensed trainer.

OWNERS:

- All Owners, as listed on the horse's registration papers, should be licensed prior to the entry of that horse.
- 2. Owners' license will not be issued unless a licensed trainer is named on their application.
- 3. All owners who lease horses for racing purposes are responsible for licensing both the Lessee and Lessor.
- If the owner is not an individual, each partner who has an ownership interest of five percent (5%) or more must be licensed by the Texas Racing Commission.
- 5. A person may not be licensed as an owner if the person is not the owner of record of a properly registered race animal which the person intends to race in Texas which is in the care of a trainer licensed by the Texas Racing Commission.

NOTE: All Owners, Trainers, and Lessees must be licensed <u>before</u> the race day in which their horse will participate. Texas Racing Commission licensing staff will be available during live race **events but** cannot guarantee a license issuance or renewal will occur if previous application steps were not met (digital fingerprints, evaluation of possible disqualifiers, etc.). Please see the following website for licensing guidelines:

https://www.txrc.texas.gov/licensing.

For complete information on the rules of racing of the Texas Racing Commission, please request a rule book from the licensing office at the racetrack or contact the Austin office at (512) 833-6699 or on the web at www.txrc.texas.gov

SPECIMEN TESTING

The Texas Racing Commission tests specimens include, but are not limited to serum, urine, and hair. All breeds will be subject to hair testing at random or for cause, as determined by the Texas Racing Commission. The Texas Racing Commission will partner with The Texas Veterinary Medical Diagnostic Laboratory (TVMDL) and the Equine Analytical Chemistry Laboratory (EACL) for accomplishing the testing of equine samples The agency maintains discretion for using any accredited laboratory necessary to accomplish proper analysis, including split samples.

STATE VETERINARY MONITORING OF MORNING TRAINING

State veterinarians have authority to monitor morning training and identify lame horses on the training track. Horses on the training track will be subject to the same evaluation protocol as horses during pre-race exams. Horses must jog past the state veterinarian for 8-10 strides when exiting the training track after exercise. Exercise riders can be asked to jog a questionable horse on the walking path after exercise to confirm a lameness seen on the track. Horses lame after morning training will be identified and placed on the Vet List if appropriate. Any horse that works out for an official time can have blood samples collected post workout.

WORKOUTS AND FIRST-TIME STARTERS

First time starters must have two published works within 90 days, one being within 60 days. All first-time starters must be approved by a Licensed Starter for proficiency in the starting gate within 90 days of the race entered.

VETERINARIAN'S EXAMS

Pre-race veterinarian examinations for horses stabled on the grounds will be conducted from 9:00 am to 11:00 am. Anyone shipping horses into barns other than the Receiving Barn, must notify the Commission Veterinarians of such barn and stall location. The horse's legs must be unwrapped and clean for this examination. For further information please call the State Veterinarian. All Vet List timed workouts or exams required for race entry must be scheduled 2-3 days in advance by contacting the Chief State Veterinarian, Dr. Steve Bond at (512)529-1546.

Lip Chains

Trainers will wrap all lip chains with leather or heavy tape wrap. Any part of the chain that contacts the horse's gums or corners of the mouth cannot be bare chain. Lip chains must be attached to provide some relief to the horse from constant chain pressure.

Ship-in Horses, Lasix & Pre-Race Exams

Any horse(s) shipping into a barn, other than the receiving barn, must notify the TXRC State Vet of the barn location prior to the start of pre-race exams at 9:00 am. Trainers are responsible for securing a veterinarian to administer timely Lasix for their horses. Please contact the test barn for details.

ELIGIBILITY

No entries will be accepted for the following:

- A horse that is more than 12 years of age may not start in a pari-mutuel race in this state unless:
 - (a) The horse has finished first, second or third in an officially sanctioned race during the 12 month period preceding the race in which the horse is to start; or
 - (b) Upon due consideration of the horse's past performance, the board of stewards has given specific authorization for the horse to start.
- Entries will not be accepted for horses that are deemed to be non competitive or unfit to race by the Racing Secretary, Stewards or State Veterinarian.
- Quarter horse maidens six years old or older.

COGGINS AND HEALTH CERTIFICATES

To be admitted on to Lone Star Park at Grand Prairie's grounds, a horse must have:

- A negative test for equine infections anemia conducted in accordance with rules of the Texas Animal Health Commission in the 180 day period preceding the horse's arrival. It is a criminal offense to transfer ownership of a horse (by Bill of Sale or Claim) without a current negative Coggins. To keep Coggins test from expiring during the meeting, they MUST be dated after January 16, 2025.
- 2. A health certificate issued in the 30-day period preceding horse's arrival.
- 3. We also continue to require that all horses admitted to the stable area to have a current (within 180 days) FDA approved EHV-1 vaccine or EHV-1 booster. Vaccine information must be noted on the health certificate for admittance to Lone Star Park at Grand Prairie's grounds.
- It is mandatory for all horses except thoroughbreds to have a negative Piroplasmosis cElisa test for Theileria equi that has been performed in the last year.

SHOE RULES

Under TXRC Section 313.426 (a) A Thoroughbred or Arabian is ineligible to start in a race when it has shoes (racing plates) that have toe grabs with a height greater than two millimeters (0.07874 inches), bends, jar chalks, stickers or any other traction device on the front hooves.

(b) A Quarter Horse, Paint Horse or Appaloosa is ineligible to start in a race when it has shoes (racing plates) that have toe grabs with a height greater than four millimeters (0.15748 inches), bends, jar chalks, stickers or any other traction device on the front hooves.

On the turf course, the only shoes allowed are queen xt and silver queen xt.

ENTRY RULES

- Racing Office will open for entries at 8:00 am. Entries close at 10:30 am. No entries are
 accepted on overfilled races after closing time of entries. Though an entry may be taken as an
 AE if space allows.
- 2. Prior to entering a horse, all participants must have a current Texas Racing Commission license.
- A horse must be tattooed or micro chipped, and the registration papers or digital papers along with a current negative Coggins must be on file in the Racing Secretary's office not later than one hour before post time for the first race of that day.
- 4. A blinker change must be approved by the starter and reported at time of entry.
- 5. Maidens entering in winner's race must declare at time of entry that the horse is a maiden.
- Owners and Trainers must be careful to claim allowances and preference date at time of entry.
 This is the sole responsibility of the person making the entry.
- Horses not entitled to the first allowance in a race are not entitled to the second and, if not to the second, then to any subsequent allowances.
- 8. No horse shall be entered in more than one race on any race day, unless at least one of the races is a stake race. If such an entry does happen to cause a race to overfill and lead to an exclusion, the horse must remain in the body of the overfilled race. In the event both races overfill, the decision must be made prior to closing of entries.
- When a person makes a coupled entry, the entry with the better date will be preferred in an overnight race. If they have the same date, the trainer must make first and second choice.
- 10. All races, overnights and stakes, will be drawn with up to two AEs.
- 11. In Today horses must have the permission of the racing secretary to be enter in another race.

HOTWALKERS

For lease or service information about any of the hotwalkers please contact the racing office at (972) 237-1130 or (972) 237-5058 or toll-free at (888) 4RACING.

RECEIVING BARN

All horses shipping in to race must stable in the receiving barn. Horses shipping in to Lone Star Park at Grand Prairie to work or shipping earlier than their scheduled race day must contact the Stall Superintendent before shipping. All horses shipping in to work must vacate the receiving barn by 11:00 am.

SCRATCH POLICY

All horses scratched at Lone Star Park at Grand Prairie may only be made by permission of the stewards. We ask that scratches be made by 11:00 am on race day to allow AEs to draw in.

WORKOUTS AND FIRST-TIME STARTERS

If a horse has not started in the **60-day period** preceding a race, the horse must have **one published workout** to be eligible to start in that race.

If a horse is a first-time starter, the horse must have two published workouts, one of which must be from the starting gate within 90 days and one must be within the last 60 days of the race entered, in order to be eligible to start in a race. The first-time starter must also be approved from the starting gate by an approved facility for proficiency in the starting gate. Lone Star Park's starter reserves the right to refuse an approval from another facility.

First time starters around the turn must be approved by the clocker prior to entering in a one turn race and have a minimum 660 yard published workout within the last 60 days. Trainers must notify the clocker prior to working a horse for turn approval.

Any horse that has not started within the last 365 days must have 2 published workouts within 60 days preceding the race and an approved letter from the attending veterinarian to be eligible to run.

All horses working at Lone Star Park at Grand Prairie must be identified by name (breeding if unnamed), type of workout and distance to the Gap Attendant. Failure to report this information will result in referral to the stewards. Foal certificates must be on file in the Lone Star Park at Grand Prairie Racing Office before a horse will receive an official work.

PREFERENCE SYSTEM

- Preference date will not be assigned until the horse's papers and current negative Coggins tests
 are on file in the Racing Office. To keep Coggins tests from expiring during race meet they
 must be dated on or after January 16, 2025.
- In any overnight race, regardless of conditions, an 'in today' horse is ALWAYS least preferred
 and the second part of an entry (by owner or trainer) cannot enter to the exclusion of a single
 interest. Though the second part of an entry is preferred over an 'in today' horse.
- 3. Condition eligibility preference applies to all races except stakes. In optional allowance/claiming races, horses eligible to the allowance condition will have first preference. Condition eligibility supersedes dates but will be used after rule #2 has been applied.
- 4. Preference dates will not supersede the conditions of a race.
- 5. All registration certificates including received on or before Tuesday, April 8, 2025 will receive a zero, which is the lowest possible date. A horse keeps his zero until he runs, scratches, or the papers are removed from the Office (unless, for just cause tattoo, corrections, etc.) the Racing Secretary may determine the status of the preference date established.
- 6. All registration certificates including digital certificates received after Tuesday, April 8, 2025 through Thursday, April 17, 2025 will receive a preference date of E1. Registration certificates received after Thursday, April 17, 2025 will receive an "E" date corresponding to the race day that the certificates are submitted to the Racing Office. Certificates that are submitted to Racing Office on a non race day will be assigned the next upcoming race day date.
- 7. Horses that run will receive a running "R" date of the same day and lose any date previously held. This excludes Stakes and Trials in which they will retain their previous date.
- 8. Horses which scratch or are scratched will receive a scratch "S" date for the day that they were entered to run
- Horses that remain in a race that is transferred to the main track from the turf course will revert back to their previous date.
- 10. All horses placed on the Steward's, Starter's or Veterinarian's lists will be posted on the bulletin board. They will not be permitted to enter until they have been approved to start. HORSEMEN'S BOOKKEEPING

In the State of the Texas the horsemen's bookkeeping system is centralized by the Texas Horsemen's Partnership, in order to better serve the horsemen running at the numerous tracks throughout the state. It is now similar to branch banking. This means that any necessary account maintenance can be done from any racetrack running a live meet in the state and through the Texas Horsemen's Partnership main office in Austin year round.

Prior to starting a race an owner must have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs incurred in starting that horse.

Prior to putting in a claim for a horse the owner or their Designated Representative must insure that all funds incurred with claiming a horse are on deposit in said account.

The following are the numbers for the numerous branch bookkeeping offices throughout the state:

### **MEDICATION**

# No prohibited drug, chemical, or other substance may be administered to an animal within the 24-hour period before the post time for the race in which the animal is entered.

Phenylbutazone: Phenylbutazone (Bute) is the only approved anti-inflammatory drug, which may be present in the body of a horse while participating in a race. The test level of Bute shall not exceed 0.3 micrograms (mg) per milliliter (ml) in plasma.

### **BLEEDER PROGRAM - Texas Racing Commission Excerpts:**

- (a) Diagnosis of EIPH (a Bleeder). A bleeder is a horse that experiences Exercise Induced Pulmonary Hemorrhage (EIPH). Except as otherwise provided by this subsection, the medical diagnosis of EIPH may be made only by a commission veterinarian or a veterinarian currently licensed by the commission. If the first EIPH event experienced by a horse in another pari-mutuel racing jurisdiction will also constitute a first report of a diagnosed EIPH event for purposes of this section. A veterinarian who diagnoses an EIPH event in a horse participating in pari-mutuel racing in this state shall report the event to the commission veterinarian in a format prescribed by the executive secretary. On receipt of the first report of a diagnosed EIPH event for a horse, the commission veterinarian shall certify the horse as a bleeder.
- (b) Admission to the Furosemide Program. (1) A trainer may admit a horse to the furosemide program by stating at the time of entry that the horse will compete with furosemide. (2) A horse that competed with furosemide in its most recent start out-of-state must compete on furosemide in Texas unless withdrawn from the furosemide program at the time of entry. (3) An EIPH event experienced by a horse that is admitted to the furosemide program is deemed to be a first EIPH event for purposes of Subsection (g) of this section.
- (c) Administration of Furosemide. Furosemide shall be administered to a horse in the furosemide Program not later than four hours before the published post time for the race the horse is entered to run. The furosemide must be administered intravenously by a veterinarian licensed by the commission. The executive secretary shall periodically publish the permissible blood levels of Furosemide in post race specimens and shall post the levels at each licensed racetrack.
- (d) Requirement to Use Furosemide. A horse in the furosemide Program in Texas must compete with furosemide until withdrawn from the Program.
- (e) Withdrawal from Furosemide. (1) To withdraw a horse from the furosemide program, the trainer must state his/her intention to race the horse without furosemide at the time of entry (2) A horse in the furosemide program that competes out-of-state without furosemide is considered to have been removed from the Texas furosemide program effective the date of its first race without furosemide. (3) Withdrawal from the furosemide program does not prohibit a horse from subsequent readmission to the program in accordance with this section.
- (f) Readmission to the Furosemide Program. A horse may be readmitted to the furosemide program if: (1) at least 60 days have elapsed since the horse was withdrawn from the program. (2) the horse is required to compete with furosemide pursuant to subsection (b) (2) of this section; or (3) the commission veterinarian diagnoses the horse with another EIPH event.
- (g) Bleeders List (1) The commission veterinarian shall maintain a list of horses that have been certified as bleeders and a list of horses that have been admitted to the furosemide Program. (2) On receipt of a report of diagnosed EIPH event, the commission veterinarian's hall place the horse on the veterinarian's list. For the first diagnosed EIPH event, a horse shall be placed on the veterinarian's list and is ineligible to start in a race before the 12th day after the date of the EIPH event. For the second diagnosed EIPH event within 365 days of previous incident 30 days. For the third diagnosed EIPH event within 365 days of previous incident incident 180 days. For the fourth diagnosed EIPH event within 365 days of previous incident barred from racing in this state. A horse that does not have a diagnosed EIPH (bleeder) event for 365 consecutive days is considered a non-bleeder for the purpose of the paragraph. The report of a diagnosed EIPH event which officially records EIPH events will be recognized as an EIPH event by the commission. (3) Notwithstanding the foregoing, if after reviewing a report of a diagnosed EIPH event the commission veterinarian determines additional days on the veterinarian's list are essential to the health and safety of the horse, the commission veterinarian may extend the number of days the horse is on the veterinarian's list. The commission veterinarian shall record the medical reasons for the additional days.
- (h) Report by Veterinarian A veterinarian who administers furosemide to a horse that has been admitted to the furosemide program shall report the administration on a form prescribed by the commission. A report made under this subsection must be filed with the commission veterinarian not later than one hour before post time for the first race that day.

  - (2) a person who has applied for an owner's license and has been granted approval by the stewards to make a claim.
- (b) A claim may not be made directly or indirectly by an owner for his or her own horse.
- (c) If the person making a claim is a minor, the claim must be co-signed by a licensed adult parent or guardian of the minor. A parent or guardian who co-signs a claim is liable for the claim. A claim made by a minor that is not co-signed in accordance with this subsection is invalid.

### Sec. 313.302. Claim Procedure

- (a) A steward or a designee of the stewards shall supervise the making of claims and ensure the accuracy of all claims made in a race.
- (b) A claim must be made in writing on forms and in envelopes approved by the executive secretary. The form and envelope must be filled out completely and must be accurate in every detail. For purpose of this section, the name of the horse as it appears in the official program governs.
- (c) The person making a claim is responsible for determining the sex of the horse.

A person may not place money or its equivalent in the claim box.
- (e) Before the deadline for filing claims for a race, a person may not: open the box in which claims are deposited; or reveal information regarding the filing of a claim.
- (f) After the deadline for filing claims for a race, a Steward or a designee of the stewards shall open the box, examine the claims, and notify the stewards of all accurate claims. The stewards or designee will then notify the horsemen's bookkeeper of the claims to determine whether the appropriate amount is on deposit with the bookkeeper in accordance with 313.305 (relating to amounts of deposit) and to debit the claimant's account for the amount of the claim, plus all applicable fees. If more than one person enters a claim for a horse, a steward or a designee of the stewards shall determine the disposition of the horse by lot.

### Sec. 313.303. Effective Time of Claim

- (a) A person who has a valid claim to a horse becomes the owner of the horse when the horse goes on to the racetrack for the race. This subsection applies regardless of whether the horse reaches the starting gate and regardless of subsequent injury to the horse during or after the race.
- (b) On the day claimed, a claimed horse runs in the interest of and for the account of the owner from whom the horse was claimed.

### Sec. 313.304. Claim Irrevocable

- (d) A horse may not be delivered to a successful claimant without authorization from a steward or a designee of the stewards.

### Sec. 313.307. Responsibility of Testing

The trainer losing a horse through a claim is nevertheless responsible for the results of any drug tests performed on specimens obtained from the horse. The trainer is responsible for the horse during the testing procedures and may not deliver the horse to the successful claimant in the test barn until the commission veterinarian informs the trainer or representative that all testing procedures are complete.

### Sec. 313.308. Restrictions on Subsequent Use

- (a) A horse claimed in a claiming race in Texas:
  - may not be sold or transferred in whole or part, by any method other than a claiming race during the 30-day period after the initial claim;

### TATTOOING & DIGITAL CERTIFICATES

All horses must be tattooed to be eligible to start.

### DIGITAL TATTOOING PROCEDURES

A Thoroughbred making its first lifetime start requires a TRPB Digital Tattoo.

The TRPB Technician will scan the microchip to access the digital copy of the foal certificate, validate the information, verify the markings, color and gender, then take 10-14 photos of the horse to digitally document all equine attributes. Bandages, poultice, blankets must be off the horse and the horse must be named by the time the TRPB Technician is present to digitally tattoo each horse. Lone Star Park TRPB Technician is Diantha Brazzell. Her contact is 214-683-2053 to schedule an appointment.

The cost to have your horse TRPB VERIFIED is \$110 for each horse and must be paid before TRPB technician digitally tattoos your horse. Payment can be made by Credit Card, Apple Pay or Google Pay.

Questions about Digital Tattoos can be directed to TRPB Horse ID at 410-398-2261 Ext. 600 or tattoo@trpb.com.
