## ACCREDITED TEXAS-BRED PROGRAM

---

---

To encourage the breeding of horses in this state, any accredited Texas-Bred horse finishing first, second or third in any race in Texas (other than a stakes race restricted to Accredited Texas-Breds) may be eligible for Owner, Breeder and/or Stallion Awards through the ATB Incentive Program.

Funding for awards is derived from breakage and 1% of all multiple wagers at each racetrack, with each racetrack generating awards funds only for the horses racing at that track. From the total generated, award funds are separated into categories for eligible owners (40%), breeders (40%) and stallion owners (20%). Additionally, the first 25% of all awards generated is set aside for Owner Bonus Awards, paid to owners of ATB horses finishing first, second or third in open company races. The Owner Bonus is in addition to regular ATB Owner Awards.

All ATB Incentive Program awards – owner bonus, owner, breeder and stallion owner will be paid by the Texas Thoroughbred Association approximately four weeks after the Lone Star Park at Grand Prairie meet has ended.

### **NOTE FROM THE EXECUTIVE DIRECTOR**

The intent of the racetrack condition book preamble is to provide up-to-date information on requirements for racetracks and occupational licensees. Weekly visual inspections are required of racetracks during live racing and are to be reported to the Commission via email to [info@txrc.texas.gov](mailto:info@txrc.texas.gov). Daily visual inspections are strongly encouraged. Any issues regarding the safety, integrity or welfare of racing participants should be immediately reported to the Commission.

If there is any conflict with the Texas Racing Act or the Texas Rules of Racing and racetrack house rules or race sponsor rules, the Texas Racing Act and Texas Rules of Racing prevail.

2. Owners' license will not be issued unless a licensed trainer is named on their application.
3. All owners who lease horses for racing purposes are responsible for licensing both the Lessee and Lessor.
4. If the owner is not an individual, each partner who has an ownership interest of five percent (5%) or more must be licensed by the Texas Racing Commission.
5. A person may not be licensed as an owner if the person is not the owner of record of a properly registered race animal which the person intends to race in Texas which is in the care of a trainer licensed by the Texas Racing Commission.

The Texas Racing Commission tests specimens include, but are not limited to serum, urine, and hair. All breeds will be subject to hair testing at random or for cause, as determined by the Texas Racing Commission. The agency maintains discretion for using any accredited laboratory necessary to accomplish proper analysis, including split samples.

## **STATE VETERINARY MONITORING OF MORNING TRAINING**

---

---

State veterinarians have authority to monitor morning training and identify lame horses on the training track. Horses on the training track will be subject to the same evaluation protocol as horses during pre-race exams. Horses must jog past the state veterinarian for 8-10 strides when exiting the training track after exercise. Exercise riders can be asked to jog a questionable horse on the walking path after exercise to confirm a lameness seen on the track. Horses lame after morning training will be identified and placed on the Vet List if appropriate. Any horse that works out for an official time can have blood samples collected post workout.

## **WORKOUTS AND FIRST-TIME STARTERS**

---

---

First time starters must have two published works within 90 days, one being within 60 days. All first-time starters must be approved by a Licensed Starter for proficiency in the starting gate within 90 days of the race entered.

---

---

Pre-race veterinarian examinations for horses stabled on the grounds will be conducted from 9:00 am to 11:00 am. Anyone shipping horses into barns other than the Receiving Barn, must notify the Commission Veterinarians of such barn and stall location. The horse's legs must be unwrapped and clean for this examination. For further information please call the State Veterinarian.

All Vet List timed workouts or exams required for race entry must be scheduled 2-3 days in advance by contacting the Chief State Veterinarian, Dr. Steve Bond at (512)529-1546.

### Lip Chains

Trainers will wrap all lip chains with leather or heavy tape wrap. Any part of the chain that contacts the horse's gums or corners of the mouth cannot be bare chain. Lip chains must be attached to provide some relief to the horse from constant chain pressure.

### Ship-in Horses, Lasix & Pre-Race Exams

Any horse(s) shipping into a barn, other than the receiving barn, must notify the TXRC State Vet of the barn location prior to the start of pre-race exams at 9:00 am. Trainers are responsible for securing a veterinarian to administer timely Lasix for their horses. Please contact the test barn for details.

## COGGINS AND HEALTH CERTIFICATES

---

---

To be admitted on to Lone Star Park at Grand Prairie's grounds, a horse must have:

1. A negative test for equine infectious anemia conducted in accordance with rules of the Texas Animal Health Commission in the 180 day period preceding the horse's arrival. It is a criminal offense to transfer ownership of a horse (by Bill of Sale or Claim) without a current negative Coggins. To keep Coggins test from expiring during the meeting, they **MUST** be dated after January 15, 2026.
  2. A health certificate issued in the 30-day period preceding horse's arrival.
  3. We also continue to require that all horses admitted to the stable area to have a current (within 180 days) FDA approved EHV-1 vaccine or EHV-1 booster. Vaccine information must be noted on the health certificate for admittance to Lone Star Park at Grand Prairie's grounds.

---

The first-time starter must also be approved from the starting gate by an approved facility for proficiency in the starting gate. Lone Star Park's starter reserves the right to refuse an approval from another facility.

## PREFERENCE SYSTEM

---

---

1. Preference date will not be assigned until the horse's papers and current negative Coggins tests are on file in the Racing Office. To keep Coggins tests from expiring during race meet they must be dated on or after **January 15, 2026**.
2. In any overnight race, regardless of conditions, an 'in today' horse is ALWAYS least preferred and the second part of an entry (by owner or trainer) cannot enter to the exclusion of a single interest. Though the second part of an entry is preferred over an 'in today' horse.
3. Condition eligibility preference applies to all races except stakes. In optional allowance/claiming races, horses eligible to the allowance condition will have first preference. Condition eligibility supersedes dates and 'second part of an entry' but not an 'in today' horse.
4. Preference dates will not supersede the conditions of a race.
5. All registration certificates including received on or before **Tuesday, April 7, 2026** will receive a zero, which is the lowest possible date. A horse keeps his zero until he runs, scratches, or the papers are removed from the Office (unless, for just cause - tattoo, corrections, etc.) the Racing Secretary may determine the status of the preference date established.
6. All registration certificates including digital certificates received after **Tuesday, April 7, 2026** through **Thursday, April 16, 2026** will receive a preference date of **E1**. Registration certificates received after **Thursday, April 16, 2026** will receive an "E" date corresponding to the race day that the certificates are submitted to the Racing Office. Certificates that are submitted to Racing Office on a non race day will be assigned the next upcoming race day date.
7. Horses that run will receive a running "R" date of the same day and lose any date previously held. This excludes Stakes and Trials in which they will retain their previous date.
8. Horses which scratch or are scratched will receive a scratch "S" date for the day that they were entered to run.
9. Horses that remain in a race that is transferred to the main track from the turf course will revert back to their previous date.
10. All horses placed on the Steward's, Starter's or Veterinarian's lists will be posted on the bulletin board. They will not be permitted to enter until they have been approved to start. A horse which raced before going on a list will keep its "R" date. Horses which were scratched will be given an "S" date of the day the horse comes off the list.
11. Entry "E" dates will have preference over a running "R" dates of the same date. Entry "E" dates and running "R" dates will have preference over scratch "S" dates of the same date.
12. In no way does claiming, ownership transfer or trainer transfer of a horse affect the preference date. It is the responsibility of the person making an entry to claim preference at time of entry. - It is the trainer's responsibility to name a jockey before the drawing of the race. Should a jockey remain unnamed at the time of the drawing of entries, the Stewards or their appointee shall select one. No jockey, once named, shall be changed except for good cause by the Stewards.

## HORSEMEN'S BOOKKEEPING

---

---

In the State of the Texas the horsemen's bookkeeping system is centralized by the Texas Horsemen's Partnership, in order to better serve the horsemen running at the numerous tracks throughout the state. It is now similar to branch banking. This means that any necessary account maintenance can be done from any racetrack running a live meet in the state and through the Texas Horsemen's Partnership main office in Austin year round.

Prior to starting a race an owner must have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs incurred in starting that horse.

Prior to putting in a claim for a horse the owner or their Designated Representative must insure that all funds incurred with claiming a horse are on deposit in said account.

The following are the numbers for the numerous branch bookkeeping offices throughout the state:

Lone Star Park at Grand Prairie	(972) 237-5094
Retama Park	(210) 651-7001
Sam Houston Race Park	(281) 807-8885
Texas Horsemen's Partnership - Austin	(512) 467-9799

## ALSO ELIGIBLE (AE) & MAIN TRACK ONLY (MTO)

---

---

1. Also eligibles will be drawn in all races where the field size and the tote board permit.
  2. In a turf race, AEs and MTOs will be equally split and AEs will be drawn first and MTOs will follow.
  3. Trainers, at time of entry, must designate turf or MTO entry which will be noted on the overnight and program for that day.
  4. MTO entries will be preferred over other MTO entries at time of draw by the established preference date system.
  5. If races remain on the turf at scratch time, all MTO horses will be scratched and will get their dates back.
  6. MTO horses that draw into a race that is transferred to the main track will receive a "R" date for that race day.

## MANURE HANDLING PROCEDURES

---

---

Due to federal and state regulations, serious and monetarily substantial regulatory penalties can be imposed on Lone Star Park for allowing the improper handling of manure and bedding materials on the property. Every due diligence effort and precaution must be employed to prevent the contamination of ground water and migration of manure effluence into the storm drains.

- Lone Star Park is responsible for providing sufficient designated manure/bedding containers for each barn.
- It is the trainer's and his employee's responsibility to ensure that all manure and bedding is properly disposed of in the designated containers at each barn at all times.
- Trainers and their employees are also responsible to ensure that any manure and/or bedding dropped from the wheel barrels between the barn and the designated containers is subsequently picked up and placed in the designated containers.
- If the designated containers reach their capacity, trainers must call the stall superintendent at (972)237-5058 to request an additional container. Do not overfill the containers.
- Trainers and their employees are responsible for assuring that all trash, bottles and cans, etc. are properly placed in the trash containers provided at the ends of each barn and not in the designated manure containers.
- Trainers and their employees are responsible for picking up and properly disposing of all manure deposited by their horses while on the hotwalkers. No bedding materials are permitted around the hotwalkers.
- Additionally horses must be washed only in the designated horse wash racks inside each barn.

## MEDICATION

---

---

### **No prohibited drug, chemical, or other substance may be administered to an animal within the 24-hour period before the post time for the race in which the animal is entered.**

**Phenylbutazone:** Phenylbutazone (Bute) is the only approved anti-inflammatory drug, which may be present in the body of a horse while participating in a race. The test level of Bute shall not exceed 0.3 micrograms (mg) per milliliter (ml) in plasma.

#### **BLEEDER PROGRAM - §319.111. Bleeders and Furosemide Program**

- (a) Diagnosis of EIPH.** (1) A bleeder is a horse that experiences Exercise Induced Pulmonary Hemorrhage (EIPH). Except as otherwise provided by this subsection, the medical diagnosis of EIPH may be made only by a commission veterinarian or a veterinarian currently licensed by the Commission. If the first EIPH event experienced by a horse occurs in another pari-mutuel racing jurisdiction, certification of the horse as a bleeder by that foreign jurisdiction will also constitute a first report of a diagnosed EIPH event for purposes of this section. A veterinarian who diagnoses an EIPH event in a horse participating in pari-mutuel racing in this state shall report the event to the commission veterinarian in a format prescribed by the executive director. On receipt of the first report of a diagnosed EIPH event for a horse, the commission veterinarian shall certify the horse as a bleeder.
- (2) A trainer may request that a commission veterinarian reconsider the commission veterinarian's diagnosis of an EIPH event by presenting the horse for re-examination within four hours of the initial diagnosis, or within one hour after a performance's last race, whichever occurs sooner. To receive reconsideration, the trainer must present the horse to the commission veterinarian for endoscopic examination as performed by a commission-licensed veterinarian.
- (b) Admission to Furosemide Program.** (1) A trainer may admit a horse to the furosemide program by stating at time of entry that the horse will compete with furosemide. (2) A horse that competed with furosemide in its most recent start out-of-state must compete on furosemide in Texas unless withdrawn from the furosemide program at time of entry. (3) The voluntary administration of furosemide without an external bleeding incident shall not subject the horse to an initial period of ineligibility under subsection (g) of this section. (c) Administration of Furosemide. Furosemide shall be administered to a horse in the furosemide program not later than four hours before the published post time for the race the horse is entered to run. The furosemide must be administered intravenously by a veterinarian licensed by the Commission. The executive director shall periodically publish the permissible blood levels of furosemide in post-race specimens and shall post the levels at each licensed racetrack.
- (d) Requirement to Use Furosemide.** A horse in the furosemide program in Texas must compete with furosemide until withdrawn from the program.
- (e) Withdrawal from Furosemide Program.** (1) To withdraw a horse from the furosemide program, the trainer must state his/her intention to race the horse without furosemide at the time of entry. (2) A horse in the furosemide program that competes out-of-state without furosemide as a condition of the race is considered to have been removed from the Texas furosemide program effective the date of its first race without furosemide. (3) Withdrawal from the furosemide program does not prohibit a horse from subsequent readmission to the program in accordance with this section.
- (f) Readmission to the Furosemide Program.**  
A horse may be readmitted to the furosemide program if: (1) at least 30 days have elapsed prior to the subsequent day of intended race since the horse was voluntarily withdrawn from the program as described in subsection (e)(1) of this section; (2) the horse is required to compete with furosemide pursuant to subsection (b)(2) of this section; (3) a commission veterinarian, association veterinarian, or practicing veterinarian diagnoses the horse with another EIPH event within 4 hours of official works, recorded timed works, or live race; or (4) at least 14 days have elapsed since the horse competed out of state without furosemide under subsection (e)(2) of this section.
- (g) Bleeders List.** (1) The commission veterinarian shall maintain a list of horses that have been certified as bleeders and a list of horses that have been admitted to the furosemide program. (2) On receipt of a report of a diagnosed EIPH event, the commission veterinarian shall place the horse on the veterinarian's list and the horse shall be ineligible to race for the following time periods: (A) First incident - 14 days; (B) Second incident within 365 days of previous incident - 30 days; (C) Third incident within 365 days of previous incident - 180 days; (D) Fourth incident within 365 days of previous incident - lifetime ban from racing in this state. (3) A horse with fewer than four EIPH events that has not had a diagnosed EIPH event for a period of 365 consecutive days is considered a non-bleeder for purposes of this subsection. The report of a diagnosed EIPH event from any pari-mutuel jurisdiction which officially records EIPH events will be recognized as an EIPH event by the Commission. (4) Notwithstanding the foregoing, if after reviewing a report of a diagnosed EIPH event the commission veterinarian determines additional days on the veterinarian's list are essential to the health and safety of the horse, the commission veterinarian may extend the number of days the horse is on the veterinarian's list. The commission veterinarian shall record the medical reasons for the additional days.
- (h) Report by Veterinarian.** A veterinarian who administers furosemide to a horse that has been admitted to the furosemide program shall report the administration on a form prescribed by the Commission. A report made under this subsection must be filed with the test barn supervisor not later than two hours before post time for the first race of that day. Horses not on the Lasix Report are subject to vet scratch.

## CLAIMING RULES

---

---

### Sec. 313.301. Eligibility to Claim

- (a) Except as otherwise provided by this section, in a claiming race, each horse is subject to be claimed for its entered price by:
  - (1) a licensed owner or lessee or an authorized agent acting on behalf of the owner or lessee;
  - (2) a person who has applied for an owner's license and has been granted approval by the stewards to make a claim.
- (b) A claim may not be made directly or indirectly by an owner for his or her own horse.
- (c) If the person making a claim is a minor, the claim must be co-signed by a licensed adult parent or guardian of the minor. A parent or guardian who co-signs a claim is liable for the claim. A claim made by a minor that is not co-signed in accordance with this subsection is invalid.

### Sec. 313.302. Claim Procedure

- (a) A steward or a designee of the stewards shall supervise the making of claims and ensure the accuracy of all claims made in a race.
- (b) A claim must be made in writing on forms and in envelopes approved by the executive secretary. The form and envelope must be filled out completely and must be accurate in every detail. For purpose of this section, the name of the horse as it appears in the official program governs.
- (c) The person making a claim is responsible for determining the sex of the horse.
- (d) A claim must be time stamped with the official track time shown on the tote board and deposited in a locked box provided by the Racing Secretary not later than 15 minutes before post time of the race in which the horse being claimed is to start. A person may not place money or its equivalent in the claim box.
- (e) Before the deadline for filing claims for a race, a person may not: open the box in which claims are deposited; or reveal information regarding the filing of a claim.
- (f) After the deadline for filing claims for a race, a Steward or a designee of the stewards shall open the box, examine the claims, and notify the stewards of all accurate claims. The stewards or designee will then notify the horsemen's bookkeeper of the claims to determine whether the appropriate amount is on deposit with the bookkeeper in accordance with 313.305 (relating to amounts of deposit) and to debit the claimant's account for the amount of the claim, plus all applicable fees. If more than one person enters a claim for a horse, a steward or a designee of the stewards shall determine the disposition of the horse by lot.

### Sec. 313.303. Effective Time of Claim

- (a) A person who has a valid claim to a horse becomes the owner of the horse when the horse steps on to the racetrack for the race. A claim shall be voided and ownership of the horse retained by the original owner if:
  - (1) the horse dies on the racetrack or is euthanized by a Commission Veterinarian before leaving the racetrack, either on the race surface or in the equine ambulance.
  - (2) the horse has a musculoskeletal injury that requires loading in the equine ambulance for safe removal from the track. This claim is only voided after proper Veterinary examination of injury and the on duty Commission Veterinarian is contacted and approves of euthanasia. Horses euthanized without Veterinarian examination and notification to the attending Commission Veterinarian will not be entitled to a voided claim.
- (b) Horses vanned off the track for medical conditions (including but not limited to EIPH, Myositis, heat stress, extreme exhaustion) will not be treated as a voided claim.
- (c) On the day claimed, a claimed horse runs in the interest of and for the account of the owner from whom the horse was claimed.

### Sec. 313.304. Claim Irrevocable

- (a) Except as otherwise provided by this section, a claim that is filed in accordance with this subchapter is irrevocable.
- (b) If the stewards declare a claiming race a "no-race", all claims for that race are invalid.

### Sec. 313.305. Amounts of Deposit

- (a) To make a valid claim, a person must have on deposit with the horsemen's bookkeeper an amount of the claim, plus all transfer fees, in the form of cash, money order, certified check or cashier's check.
- (b) A person who files a claim may not exhaust the person's account with the association during the two-hour period after the claim was filed.

**Sec. 313.306. Transfer of Claimed Horse**

- (a) A horse that has been claimed in a claiming race shall be taken after the race to the area designated by the association for delivery to the claimant, unless the horse is designated for testing.
- (b) A person may not refuse to deliver a claimed horse.
- (c) The engagements of a claimed horse automatically transfer to the new owner. A claimed horse is ineligible for entry in a future race unless the entry is made on behalf of the new owner.
- (d) A horse may not be delivered to a successful claimant without authorization from a steward or a designee of the stewards.

**Sec. 313.307. Responsibility of Testing**

The trainer losing a horse through a claim is nevertheless responsible for the results of any drug tests performed on specimens obtained from the horse. The trainer is responsible for the horse during the testing procedures and may not deliver the horse to the successful claimant in the test barn until the commission veterinarian informs the trainer or representative that all testing procedures are complete.

**Sec. 313.308. Restrictions on Subsequent Use**

- (a) A horse claimed in a claiming race in Texas:
  - (1) may not be sold or transferred in whole or part, by any method other than a claiming race during the 30-day period after the initial claim;
  - (2) and is ineligible to start in a race at a race meeting other than the one at which it was claimed until the end of the meeting at which the horse was claimed, except in a stakes race after verification by the board of stewards.
- (b) A horse claimed in another state is subject to the eligibility requirements for claimed horses in effect at the time of the claim in the jurisdiction in which the horse was claimed.

## TATTOOING & DIGITAL CERTIFICATES

---

---

All horses must be tattooed to be eligible to start.

### DIGITAL TATTOOING PROCEDURES

A Thoroughbred making its first lifetime start requires a TRPB Digital Tattoo.

The TRPB Technician will scan the microchip to access the digital copy of the foal certificate, validate the information, verify the markings, color and gender, then take 10 -14 photos of the horse to digitally document all equine attributes. Bandages, poultice, blankets must be off the horse and the horse must be named by the time the TRPB Technician is present to digitally tattoo each horse.

Lone Star Park TRPB Technician is Diantha Brazzell. Her contact is 214-683-2053 to schedule an appointment.

The cost to have your horse TRPB VERIFIED is \$110 for each horse and must be paid before TRPB technician digitally tattoos your horse. Payment can be made by Credit Card, Apple Pay or Google Pay.

Questions about Digital Tattoos can be directed to TRPB Horse ID at 410-398-2261 Ext. 600 or [tattoo@trpb.com](mailto:tattoo@trpb.com).

## HELMET AND SAFETY VEST

---

---

All jockeys and exercise people must wear both an approved helmet and safety vest while mounted on a horse. Approved helmets and safety vests are also required for all pony persons. The outriders will enforce this rule for your safety.

---

---

## OWNER'S SILKS & FOAL PAPERS

---

---

All owners must furnish their own colors. Following the conclusion of the meet please arrange for your silks and foal papers to be picked up. Although Lone Star Park at Grand Prairie makes every effort to insure the safety of both, we will not be held responsible for either silks or foal papers left later than one week after the final day of the meet.
