THE BASICS OF WAGERING

Made Easy

HOW DOES HORSE RACING WAGERING WORK?

Betting in horse racing is called pari-mutuel wagering. What is pari-mutuel wagering? Well, it's French in origin, meaning "to wager amongst ourselves." Fans wagering in a pari-mutuel system are wagering against one another, not against the racetrack.

HERE'S HOW IT WORKS:

When a patron places a wager at the track, that money goes into a betting pool. Each type of wager has its own betting pool. The track, serving as an agent or broker, receives a commission or "takeout" for handling the wagers. This takeout is generally divided among the state of Texas, purses for horsemen competing at the track and Lone Star Park at Grand Prairie. The money remaining in each pool is returned to the fans in the form of winnings, which is 82% for all win, place or show wagers.

WHERE DO I GO TO COLLECT MY WINNINGS?

So, you've made a winning wager. After the race has been declared official, simply take your ticket to any of the mutuel windows or self-betting terminals to collect. Please see Official's page for complete rules.

THE 2 MAIN TYPES OF WAGERS

1 STRAIGHT WAGERS (These wagers only involve one horse.)

WIN- You collect only if your horse finishes first. The minimum wager is \$2.

PLACE- You collect if your horse finishes first or second. However, if your horse wins, you only collect the Place payout. The minimum wager is \$2.

SHOW- You collect if your horse finishes first, second or third, but you only collect the Show payout. The minimum wager is \$2.

ACROSS THE BOARD- You are wagering on a horse to Win, Place and Show. You receive one ticket for all three wagers. If your horse wins, you receive Win, Place and Show payouts. If your horse finishes third, you only receive the Show payout. Because you are actually placing three wagers, the minimum wager is \$6.

2 COMBINATION OR "EXOTIC" WAGERS (These wagers involve two or more horses.)

DAILY DOUBLE- To collect, you must select the winner of two races. For example, you must select the winners of the first race and the second race. Of course, you must place the wager before the first of your two races!

EXACTA- To collect, you must pick the horses that finish first and second in exact order. For example, if you play a 3-5 Exacta, the #3 horse must Win and the #5 horse must Place (come in second) for you to collect.

EXACTA BOX- Is made to guarantee the outcome of the first two finishers regardless of which horse wins. For example, if you box the #3 and #5 horses and either the #3 or the #5 horse wins and finishes second, you win.

TRIFECTA- Is similar to an Exacta, except you must pick the horses that finish first, second and third in exact order. This is a challenging wager that often yields large dividends.

TRIFECTA BOX- Is made to guarantee the outcome of the first three finishers regardless of which horse wins. For example, if you box the #3, the #7 and #5 horses and either the #3, #7 or the #5 horse wins, finishes second and third, you win.

SUPERFACTA- Is similar to an Exacta or Trifecta, except you must pick the horses that finish first, second, third and fourth in exact order. This is also a challenging wager that often yields dividends even larger than the Trifecta.

SUPER HI-FIVE- Is similar to the Superfacta, except you must pick the horses that will finish first, second, third, fourth and fifth in exact order. In the event that there are no winners all the money wagered will carry over to the next Super Hi-Five pool.

PICK 3- To collect, you must pick the winners of three consecutive races.

PICK 4- To collect, you must pick the winners of four consecutive races.

LONE STAR 6 SHOOTER- To collect, you must pick the winners of six consecutive races. This wager costs only \$.20 and the jackpot will be awarded to one unique wager. On days with multiple winning tickets, 50% of the pool will be shared equally amongst the winners, while the other 50% goes into the jackpot carryover.

And of course, you must make your selection before the first race of your Daily Double, Pick 3, Pick 4 or Lone Star 6 Shooter.

How to Read the Program

Who did he beat? Who had the mount? How fast did they go? What's his breeding? For the answers look to the past performances pages of this track program. It all might look intimidating at first, but this page will show you how to use the wealth of data supplied for each horse. **The past performance lines used in this How to Read are not actually associated with Fred's Lucky Boy. The information in this How to Read page is provided as an example of all the components that can be found within a race program page in an effort to educate and inform the betting public. Rick's Picks

Selections by veteran southwest handicapper, Rick Lee

Monday, June 1, 2020

Lee's Lock

Race 3

(#4) Little Mark has trained smartly since a third-place finish at Oaklawn, and he figures difficult to beat dropping into a state-bred race for the first time.

Best Bet

Race 8

(#3) Share the Upside is a stake-winning sprinter with a high turn of early speed, and he is adequately bred to excel on turf.

Best Longshot

Race 6

(#5) Kasserine Pass Has not raced since August, but she is a stake winner and may be stronger and faster at three.

10-Cent Superfecta of the Day

The key to hitting a big superfecta is to find a strong contender who is in a large and contentious field, such as **Golden Lullabye** in the seventh.

10 cent Superfecta numbers:

8/2,3,6,11,12/2,3,6,11,12/2,3,6,11,12=\$6

Wagering Tips & Odds - Rick Lee

Wagering Policies

- The minimum wagering age is 21 years old. (Sec.321.17)
- Per Racing Commission rules, an association may not cancel a win wager for more than \$500 on any live or simulcast race offered for wagering by the association, unless: (1) the patron requests to cancel the wager before leaving the teller's window & before the ticket issuing machines are locked; or (2) the stewards or racing judges order the wager to be canceled because of a scratch in the race. (b) if a patron desires to cancel a wager that is on the same mutuel ticket as a win wager that may not be canceled under this section, the association may cancel the ticket but must immediately replace the win wager that was on the ticket. (c) an association shall post a notice by each automatic ticket-issuing machine on association grounds that at a minimum states that a win wager for more than \$500 may not be canceled except if the stewards or racing judges order the wager to be canceled because of a scratch in the race. (d) An association may adopt a house policy regarding the cancellation of win wagers that is more restrictive than this section, subject to the approval of the executive secretary.
- In the event of a payout of more than \$100,000 for a single wager, money will be wired the next day from the host track.
- Lone Star Park reserves the option to issue a check for payment on winnings in excess of \$10,000.
- I.R.S. regulations require that when gambling earnings exceed odds of 300 to 1 they must be reported. When gross earnings exceed \$5,000 a mandatory tax of 24 percent is withheld. We require two forms of positive identification, a picture I.D. and a Social Security card. Management reserves the right to determine supporting identification is acceptable.
- If it becomes impossible to successfully merge a racetrack's wager in the common pool, Lone Star Park at Grand Prairie will refund the pools not successfully merged in accordance with applicable rules.
- Effective September 1, 2007, pari-mutuel tickets purchased and vouchers issued on or after September 1, 2007, are only valid for one year from the date the ticket was purchased and/or the voucher was issued. You may cash your ticket during a future visit to Lone Star Park or tickets may be cashed by mail. Please print clearly and send your ticket with name and address to:

**Lone Star Park at Grand Prairie, Mutuels Department
1000 Lone Star Parkway - Grand Prairie, TX 75050**

Please send the ticket certified or registered mail, return receipt requested and retain a copy of the ticket for your records. I.R.S. regulations require that gambling earnings that exceed odds of 300 to 1 are reportable. When cashing such a ticket we require positive I.D., preferably a picture I.D. such as a drivers license and a social security card. Management reserves the right to determine if supporting identification is acceptable. Lone Star Park at Grand Prairie supports responsible betting. If you think you have a problem, call (800) 522-4700 or visit ncpgambling.org If you suspect someone has violated the Texas Racing Act or the Texas Racing Commission's Rules, you may file a formal complaint with the Texas Racing Commission. The Commission will investigate complaints such as those relating to safety issues, race information, or pool calculations, to determine whether the Act or the Rules have been violated. The information you provide should be accurate and subject to verification by the Commission. You may file your complaint anonymously. If you have a question or complaint related to service, seating, or parking, you should contact Lone Star Park at Grand Prairie management.
